4 Orlando Viva got defeated in the last run after a couple of wins in a row. However she put in a good effort in the lead. She is the only three-year-old in this race and should have a good chance. 1 Never to Young was defeated in the final turn in the last run but came back well over the home stretch. Early challenger here. 9 Bonnie Wibb finished strongly to victory three starts back. Will defeat many opponents here with the right journey. 6 Andante T.M. was not at her best in the last V75-race on Boden. Should be followed here.

2 Hvalstad Gyda has had a strong season as an eight-year-old and won in the lead in a new track record in the last run. The horse looks strong and is our pick here. 8 Målbo Vanja got a tough journey from outside the leader in the last run and scored a strong second spot. Will soon score the second win of the year. 5 Bork Tekla has done well lately and she is fast enough to be in the mix here. Should not be overlooked. 3 Sjö Jenta was not at her best in the last run. Is a bit up and down but is good enough to win this.

1 N.Y.Voila has got an interesting number over this distance. If she finds the lead and stays calm she could score the first win in this open race. 4 Love Heuvelland found the lead after a quick opening in the last run and came in second at the end. Could take revenge here. Early choice. 2 Ellen Ripley is chasing the first win here. She has done alright so far but we think she can do even better. 8 Mellby Jubel should not be overlooked but needs some racing luck with this poor number behind the gate. Nice form.

9 Express Cash resumed from a spell in the last run and won directly. He could simply be the best here but needs some racing luck with this number in the second line. 8 I Love Faux Depart had got a break before the last start too. Put in a nice effort in the lead and should be improved by that run. 3 Västerbo Paraflax put in a strong final lap from far back in the last run. Interesting number and should be considered early. 7 Find My Way Home never found room in the last run and had energy left at the end.

3 Isac Journey is a lot better than the latest results show and is our pick here. Nice number and good for this class. Top chance. 9 Fade to Black Ås is the main challenger. He is consistent and good but has not won for a while now. 13 Conch on Inn got a tough journey from outside the leader in the last run. Was brave and deserves a victory soon. 12 Gambino Brick has not impressed lately but can do better than that.

7 Northman Maxus has not trotted perfectly lately. Is good for this class and has won five out of 13 starts this year. Good chance if he is at his best. 3 Yavapai Point has found great form for the new trainer and chases the third win in a row. Won over this distance in the last run. 12 Leighton Boko has not competed since August. Is good for this class and despite this break and this poor number he should not be discounted. 9 Overtime met too good horses in the last run. Possible here behind the favorites.
