## R3 SAINT-CLOUD [L-H]

**C1 - PRIX DE JUZIERS - 2400m (a1 1/2m) - TURF - Handicap - Flat - EUR €  
13.000**

**1. HAPPY CHRISNAT** - Returning from a year's absence but does enjoy racing on heavy ground and faces opposition he is more than capable of beating, judged on his best references. Keep safe

**2. LIFE'S A BREEZE** - Has blown hot and cold recently, though did acquit himself competitively (3rd) under Delphine Santiago last time. Will be a factor

**3. L'INDOMPTABLE** - Consistent for the most part and has already proven her effectiveness on heavy ground. Has strong claims at this level

**4. LOUNA CHOPE** - Has won three times from 11 starts in this category and finished on the podium in the other eight outings. Must be taken seriously

**5. JAZZMAN FLEURY** - Limited long-time maiden who finished a career-best 3rd in a minor event at Beaupréau last time, though most unlikely to break his duck at the 31st attempt

**6. NISRY** - Has looked rather ordinary in each of three starts this year, so his chances are limited even at this level. Ignore

**7. MOONRISE SHADOW** - Struggling to regain any form or spark the improvement needed to be competitive here, so is not likely to trouble the judge

**8. JEVOUSVOISSCORE** - Seldom finishes far off the mark and is not incapable of getting into the picture here but has no more than a place chance

**9. PAROVNA** - Inconsistent but does boast some useful references on soft tracks, so is dangerous to discount here. Dark horse

**10. ZINZICHERA** - Veteran mare struggling to regain her form, finishing unplaced in each of her last four starts, though ought to fare better in this grade

**Summary** : L'INDOMPTABLE (3) ran well enough on heavy ground at Clairefontaine over the summer to suggest that a race of this nature is well within her capabilities so, as the top-rated runner in the lineup, is the one to beat. LIFE'S A BREEZE (2) has maintained a good level of form and consistency to pose a threat, which LOUNA CHOPE (4) is also capable of doing back in the category of her last success. HAPPY CHRISNAT (1) and ZINZICHERA (10) appeal most of the remainder.

## C2 - PRIX PENTHESILEE - IJOCKEY GPA HANDICAP CHALLENGE - 1600m (a1m) - TURF - Handicap - Flat - EUR € 16.000

- 1. BEACON TOWERS** - Rewarded for improved form and consistency with a last-start success but is unlikely to repeat that feat under a penalty, having never won off a mark as high as her current rating
- 2. TOP GLORY** - Bounced back to form last time by finishing a reassuring 2nd and will play a leading role if confirming that improvement
- 3. LEX LUTHOR** - Has performed to a consistent and competitive level of form for some time and ought to do so again here
- 4. LE HOULME** - Has been regaining his momentum recently, finishing an improved 4th last time. Not incapable of getting into the picture off his current mark
- 5. FAR MOUNTAIN EMERY** - Unreliable but is seldom far off the mark on a going day. Hard to trust but not easily ruled out either
- 6. JOAO** - Consistent performer with sound form references, though has more of a place chance than a winning one
- 7. MAPLE GIRL** - Not far from winning again having finished 2nd in each of her last three outings. Will have a role to play
- 8. AZABA** - Has rediscovered her form and consistency lately, finishing 3rd in consecutive outings recently. Will enjoy the benefit of her rider's 2kg allowance
- 9. MOASA** - Seldom finishes far off the mark so isn't entirely incapable of getting into the picture, though has no more than a place chance
- 10. GOJI BERRY** - Capable veteran who caught the eye with an encouraging comeback run (4th) last time after a six-month layoff. Will fight for victory with any improvement
- 11. GOT FROST** - Unreliable but seldom finishes far off the mark on a going day. Hard to trust but is as hard to rule out

**Summary** : Veteran GOJI BERRY (10) caught the eye last time on his return from a six-month absence and should have more to offer with improved fitness on his side, so is an obvious candidate for success. He will, however, have to be wary of TOP GLORY (2), who bounced back to form last time, back in shape, and MAPLE GIRL (7), who is looking for her race diligently. AZABA (8) shows a certain regularity and will aim for a place on the podium like LEX LUTHOR (3) and LE HOULME (4).

## C3 - PRIX DU VIADUC DE SAINT-CLOUD - 1300m (a6 1/2f) - TURF - Divised Handicap - Flat - EUR € 20.000

- 1. JASMIN DORE** - Unreliable although not incapable of getting into the picture judged on his best references and with his rider Delphine Santiago's 1,5kg allowance
- 2. PLANTHALYA** - Unreliable but has the means to stake a claim in a race of this nature. Should not be condemned for her recent failure and is capable of redeeming herself
- 3. KENDRA** - Has nothing noteworthy to her name for a considerable period now so is easily overlooked. Others are preferred
- 4. HURRICANE LIGHT** - Performed very well when finishing 2nd on this track recently and will be competitive with a repeat of that performance
- 5. MAKHZEN** - Inconsistent though seldom finishes far off the mark. Could get into the picture but has no more than a place chance
- 6. DANCE COLONY** - Bounced back to form with an improved 3rd last time at Cavaillon and should have a role to play here if confirming that improvement with Maxime Guyon in the irons. Keep safe
- 7. BLOOD CHOPE** - Has regained her form recently and is enjoying a good spell. Should make her presence felt once more
- 8. MURRAYFIELD** - Unreliable but seldom finishes far off the mark on a going day. Hard to trust but is as hard to rule out
- 9. ASTURIAS ROAD** - Struggling to regain any form or spark the improvement needed to be competitive here, so unlikely to trouble the judge
- 10. AMERICAN DAISY** - Has looked distinctly ordinary for some time now so her chances here are limited, even at this level. Overlook
- 11. TENORIO** - Has lost her way and continues to struggle in her bid to regain form or spark any improvement. Can be ruled out
- 12. RIVERET** - Was a winner three starts back but appeared unable to remain competitive in either outing since. Best watched for now
- 13. KOREM** - Finished a reassuring 2nd last time under similar conditions over 1200m at this venue. Should fight for victory if confirming that improvement

**Summary :** KOREM (13) bounced back to form last time with a reassuring 2nd when reverting to the turf and dropped back in distance to 1200m under a light weight (51kg) at this venue. On that evidence, he is good value to confirm that improvement and is worth siding with here with just 51,5kg on his back over an extra 100m. HURRICANE LIGHT (4), who bounced back from his disappointing previous outing to also finish 2nd last time, remains competitive off his current mark and is likely to pose a threat. He heads the list of potential dangers that also includes unreliable PLANTHALYA (2), and DANCE COLONY (6), under Maxime Guyon, as well as resurgent BLOOD CHOPE (7).

- 3. ZEYZOUN** - Honest veteran, runner-up in three of his last five starts including a recent handicap at Le Mans. Has to be respected on that form
- 4. RED TORCH** - Has remained consistent despite his old age and boasts sound form references. Will be competitive for the leading positions
- 5. LA FLACA** - Finished 3rd at Le Mans in this category last time and will now benefit from her rider's 1,5kg allowance. Dark horse
- 6. CHILLI PRINCESS** - Resurgent mare with solid form credentials. Was 3rd last time after finishing 2nd in consecutive outings so wouldn't be winning out of turn
- 7. COLD PLAY** - Unreliable but remains capable of staking a claim in a race of this nature judged on his best references. Beware
- 8. TOUR D'ECHELLE** - Struggling to regain any form or spark the improvement needed to be competitive here, so unlikely to trouble the judge
- 9. PLENTY CITY** - Has regained a good level of form recently by finishing 3rd in consecutive starts. Can make his presence felt
- 10. BIG FREEZE** - Consistent for the most part and has maintained a respectable level of form recently. Not taken lightly
- 11. JOJO** - Unreliable but not incapable of getting into the picture judged on her best references. Hard to trust but is as hard to rule out
- 12. ISEULT** - Unreliable but seldom finishes far off the mark on a going day. As hard to trust as she is to rule out, but is best watched for now
- 13. PRINCE DES DUNES** - Has not finished far off the mark in his last three starts so could get into the picture here, though has no more than a place chance

**Summary** : CHILLI PRINCESS (6) has rediscovered her form and consistency recently and should be winning again sooner rather than later. She gets the nod here ahead of CRISTAL MARVELOUS (1), who bounced back to form with an improved 2nd last time. Both RED TORCH (4) and ZEYZOUN (3) are consistent sorts who have proven their competitiveness at this level, so should make their presence felt. TRUE ROMANCE (2) and LA FLACA (5) complete the shortlist.

**CHILLI PRINCESS (6) - CRISTAL MARVELOUS (1) - RED TORCH (4) - ZEYZOUN (3)**

- 2. MEISHO VELITE** - Unexposed filly with sufficient means to warrant respect/inclusion in a race of this nature. Dark horse
- 3. MAGIC DYA** - Consistent for the most part and is capable of better than his last-start 7th suggests. Not taken lightly
- 4. ROOSTER CROWING** - A reliable sort who always gives of his best. Has both the form and experience to make his presence felt

**Summary :** BELLE DE SABA (5) made light work of her opposition when winning on heavy ground at Lyon-Parilly last time and, on the evidence of that demolition job, is good value to defy the penalty by following up here. She will, however, have to thwart the expected challenges from unexposed LUCKY BERE (6), who is open to improvement, and MARSELAN (1), who has held her own at a higher level, as well as BE A LORD (7) who finished 2nd on handicap debut last time.

## C6 - PRIX DE L'HUREPOIX - 2000m (a1 1/4m) - TURF - Divided Handicap - Flat - EUR € 14.000

- 1. ANGEL PARK** - Inconsistent mare but isn't incapable either. Has the means to stake a claim in a race of this nature
- 2. BARCELONA** - Struggling to regain any form or show signs of improvement needed to be competitive here, so unlikely to trouble the judge
- 3. MAKENO** - Undeniably capable but has appeared to have gone off the boil on the evidence of his recent outings. Must reaffirm
- 4. SAVILE ROW** - Resurgent veteran with sound form credentials. Finished 3rd last time and 2nd prior to that, so will not be winning out of turn

- 11. AMERICAN LILY** - Confirmed the improvement of her previous start by winning last time and will be competitive, despite a 2kg penalty. Respect
- 12. ARMORIGENE** - Rarely goes unnoticed by seldom finishing far off the mark, and already proven himself competitive at this value. Dark horse

- 14. JARITE FLEURY** - Struggling to regain any form or show signs of improvement needed to be competitive here, so unlikely to trouble the judge

**Summary** : NIPPER (6) thrives on heavy ground and is likely to get the testing conditions he enjoys, according to the forecast, so looks the one to be with here on his return to the scene of his last victory. SAVILE ROW (4), who has a proven record at this track, and last-start runner-up ANATH (7) are potential threats, as is AMERICAN LILY (11) who confirmed the improvement of her previous outing (4th) by winning last time.

- 14. DRIP** - Limited colt, more effective at a lower level and unlikely to trouble the judge here. Others are preferred

**Summary** : MANDLEFT (13) was an unlucky 3rd last time when she only got going late after running into traffic in the straight. She ran on well enough, nonetheless, and on that evidence seems capable of gaining compensation. MAGNETIQUE (12) is likely to pose a threat, though, despite carrying a penalty for his confidence-boosting last-start success. BARC (4) finished ahead of the selection last time and ought to be competitive again, with the shortlist completed by MI C'INFILO (2) and LADIVA (11).

**Summary** : MORSAN (5) is somewhat of a 'mudlark' given his particular liking for deep/heavy ground which he's likely to get here. And having finished 2nd in 3 of his last 4 starts, he seems ideally engaged here and is good value to add an 11th career success to his tally. BURATTINA (1) and HOOTTON (3) should pose a serious threat, judged on the strength and consistency of their recent form, while TRABUCO (8) is steadily regaining his best level following a lengthy absence and could have a say too.
