5 Icebreaker was simply the best in the debut and is a brother to top horse Extreme. This big horse has got a tricky number but if he avoids a mistake he has top chance to win this. 1 Jaguar has done well and won the debut after a good finish and defensive journey. 7 Ivory has started the career well. Finished to victory in the last run. Faces a handicap now but is a challenger if the favorite would fail. 3 Inferno has good speed but is not reliable. Possible without a mistake.

6 Grumbazz Kini has good speed and prefers to attack from behind. Is in great shape and has a good chance without a mistake. 2 Florida Flamingo can open fast and has got a perfect number. The form is a question mark but should have a good chance to challenge the favorite. 5 Frisk needs a nice defensive journey and can finish very fast then. Is in good shape. Warning. 1 Jack Baldwin was heavily pressed in the last run and gave up on the home stretch. Tougher conditions money-wise here but should not be overlooked.

3 Heston should have won two starts back but gave up in the lead. Was improved a lot in the last run. Quick starter and early choice again. 4 Flicka Gry galloped on the far stretch in the last run but came back really well after that. Has good speed and is normally reliable. 2 Honey Lovely S B is consistent and has got a perfect number. Should have a good chance to be in the mix. 5 Harry Boy won after a defensive journey and beat our pick Heston in that race. Has had great form for a while now.

5 Freddy Boy resumes from a short break. Has had a good season but is up and down and not always reliable. Is the best horse in this field. 3 Eagle in the Sky galloped in the first start in Denmark and the chances are not easy to predict. Is a brother to Mister F Daag. 7 Denimcowboy is worth a warning. Is on the way up and should have a good chance despite this number. Can open fast. 1 Eik Hindø has got a perfect number and is a quick starter too. Very interesting here.

5 Galant Østervang faces nice circumstances here and this short distance is an advantage. Quick starter and could lead this throughout. This offensive driver uses to reach the front. 3 Hey Joe Flamingo has met tough opponents but faces easier horses here. Interesting together with Mönster. In the mix. 1 Fika D is a quick starter and has got a nice number over the short distance. This Norwegian driver is gifted. Should not be overlooked. 4 Lola Meadow is consistent and good. Nice number and talented driver. Is in good shape and should not be overlooked.

9 Felix Light has impressed but this number is tricky. Uses to run in the front and is sometimes a bit fiery. Has the best capacity. 7 Giovanna found the lead after 300 meter in the last run despite number twelve. Was outstanding after that and has one run under his belt now. Offensive journey. Possible. 10 Mac Dubh came back well after an early mistake in the last run and could cause an upset with the right journey. 8 Borups Upptåg won in the lead in the last run and was simply the best. Nice horse in great shape. Poor number though.
