## RANK

**2 Pastor Pete** is not always reliable, but the horse owns good capacity and could win this race in several ways. Top chance without a mistake.  
**10 Lafayette** was second behind Pastor Pete in June after being in the lead. Is gifted in good moments, but is also anything but stable.  
**11 Lady Star K.J.** has been in tough company lately and never had a real chance. Easier now. **6 Idaho Stone** still hasn't won in eight attempts but is consistent and reliable.

**1 L'Amiral Readly** has shown high capacity, but has galloped in six of ten career starts. Was far behind in the last race, but finished well a bit behind the leader as second. Without a mistake the horse will be in the fight. **2 I'm Vici** doesn't win very often but was strong in the last comeback. **7 Kanon Åstrup** won by a wide margin in the last race ahead of L'Amiral Readly. Doesn't have the same capacity as our pick, but is easily placed and more reliable. **10 N.Y. Raybans On** is possible too but needs some racing luck.

**RANK**

**1 Marius Vang** seems to have the right attitude. Was only defeated by a 4-year-old (!) last time. Should have a good chance of being in the lead. Our pick. **3 Marianne Banker** did alright last time despite a handicap. Better conditions now. **2 Madame** is better than the results show and in her debut she was about to challenge Monkey Osted Antik who has shown that he is one of Denmark's better two-year-olds. **11 Matias Bork** has started his career brilliantly, but this 20 meter handicap as a 2-year-old is anything but easy.

**RANK**

**2 Le Mans** fought very bravely after taking the lead in the last race and together with Steen Juul's Lemmy he was far, far ahead of the other competitors. Perfect starting position. **10 Lookerbie Diamond** will face older horses here, but the horse is capable. Among other things, he was a finalist in the Danish Criterium earlier this year. **1 Just Time** has four second places in the results, but it is not a non-winner. Has to be considered. **12 Knock On Wood** gave up completely in the last race and can do better than that.

**1 Hansi Eldholm** is our pick in this impossible race. Has good starting speed and could reach the front. Once in that position, he is the horse to beat. **10 Kingston Flamingo** might be the speedies horse in this field but he needs some luck to be in the mix. **11 Hillsborough** has two wins in a row, taken in easy company. **5 Røde Orm** is not reliable, but has good capacity and when he avoids a mistake, he has to be considered.

**2 Juventas** has visited Sverige twice recently and finished third. From a good starting position he could find the lead and in that case he has a good chance. **5 Moses Di Quattro** has done really well lately without winning. Fine form and Jeppe Juel's 6-year-old deserves a victory soon. **4 Nova** did not convince in the last race but can do better than that. She had been really strong before that. **9 Daniel Autriche** is not entirely reliable but owns good strength.
