6 Fabulicious was last out at Åby and then won for sure after taking care of the lead early on. Johan Untersteiner aims for a repeat here. **9 Oris** is very unsure but shows good speed when she walks flawlessly. The situation now does not have to be wrong and she is an early contender for the favorite if she behaves. **3 Rokka Tiger MG** is smooth and safe. From a nice position, she reappears in place. **4 Vivienne Tif** has won twice in nine starts (9 2-1-1).

1 Armand Dee last time had a nice race on the inside track in an over-paced race. Was then able to easily go out and take over the lead into the final corner and then pulled away to a safe victory. Good chance again. **2 Rubin Diablo** won last time from the lead after a fast finish. Gets a nice run here and counts early. **5 Kudu Star Quick** returned last after a short break. Sprinted briskly then and is probably better with that race. **3 Mostpeoplearegood** but with strength left last.

Gets a nice race and is given in the battle. **9 JS Camaro** narrowly won from the lead last time.
