## RANK

**8 Starstrucked** faced tough horses last time at Solvalla and got locked in with plenty of energy left. She is now stepping down considerably in class and the seven-year-old prefers the longer distances. Overall a good chance of winning. **9 T.Wall's Kastor** has high tops and prefers to attack from behind, which is why this lane is perfect. Early challenger. **5 Herr Melin** is a quick starter and with this draw he is guaranteed a good position. **6 Campari** is strong and can do it tough.

**5 Moalva CG** has a nice task in an open race with advantage mares. Quick starter, but the lead is not necessary as she can finish quickly too. **3 BWRaz** was closely beaten from the lead last time. He is a quick starter and should at least reach the position behind the leader. Has three out of four wins in winter time. **7 Hulte Janina** comes from a nice victory when she sprinted down Ängsmodne and seemed to have plenty left over the finish line. **6 Ängsblomster** was driven with an American bike for the first time last time and put in a very nice performance.

Stable in form and good chance to take over the lead. **9 Barry Wadd** followed well in a tough silver heat last time and faces much easier opponents this time. **7 Incase Of Fire** promised a lot but has been injured. Three races under the belt now and on the way up. **6 Like A Monster** is good for this class if he lives up to his capacity.

**12 No Mare ZAR** faces good conditions money-wise and faces horses that are not the toughest in the end. With the right trip, he will be hard to stop. **10 Admiral TR** steps down a bit in class. Like our pick, he can do it tough and should be able to pass many in the end without a mistake. **3 Enga Trot** is one of the better horses in the first circle and, if she manages to find the lead, she should not be discounted. **10 Lightzon** faces tough conditions money-wise, but on the other hand the horse is one of few in good shape.

**2 Billionaire Face** was a bit fiery in the lead last time and had to give up. The horse has taken his three wins from the lead and as he is fast from the start he has a good chance to lead all around. **5 Charlie Brown PC** has better form than the results show and didn't get a real chance second last. **3 Rocket Blaster** is a quick starter and could get a nice journey behind Billionaire Face. **8 Tarpon Springs** could be dangerous if the horse gets the right trip despite this poor draw.
