RACE 1, V4-1

2 The Special Man F. has shown good form lately without winning. He was second behind a good winner in the last run and is our pick here. Likes Jepson and faces nice conditions here. **5 Mascarpone Doc** opened fast to the lead in the last run and won comfortably. Good chance if he reaches the front again. **1 Rushlight Face** has good skills and is interesting here. The chances are not easy to predict though in this seasonal debut. Outsider. **8 Firebird Scoop** won easily in the lead in the last run and showed good form.

9 Chef M.M. has looked nice this winter but did not live up to our expectations in the last race. We give him another chance here. Faces quite easy opponents now. **10 Ian B.R.** is nice and has a couple of runs under his belt. Got a tough trip in the last run and gave up on the home stretch. Early choice. **1 Jersey Muscles** finished really fast from far back in the last run. Interesting number now. **5 Iggy Boko** has good gate speed and is possible if he shows the right attitude.

2 Thin Lizzy has put in several good efforts and is good for this class. Won directly for her new trainer two starts back and looked nice in the race after but got locked in. Our winner. **6 Solkattens Daizy** has been consistent this winter and she really deserves a victory. Likes Rikard N Skoglund and is an early contender. **7 Elle Vild** has been on the way up after a pause and won easily in the lead two starts back. Came back fast after a mistake in the last run. **1 Engla S.S.** can open fast and is well drawn here. New driver again. Outsider.

3 Iglesias Boshoeve put in a good effort in the lead in the last run and is on the way up. Is driven by Kontio again and this number is interesting. Our winner. **9 Choco Garline** scored four good wins last year and should be considered directly in this seasonal debut. Belongs to a stable in good form and has good capacity. **6 Leo Leo** likes to run in front and could reach a nice position directly with this number. Mikael J Andersson is an offensive driver. **2 Glide Marke** has been consistent and good and likes this short distance.
