10 Søndre Glimt is Lars Tore Hauge's pick in this race. Showed good skills last year and had energy left at the end in the last run after a pause. 9 Vertigo Safir is as good as stable companion Søndre Glimt but he is not as reliable. Challenger without a mistake. 2 Tor Ludvig makes his debut for new trainer Geir Gudmestad. Is well prepared. Warning. 5 Rigela Af Sola is also trained by Lars Tore Hauge. Comeback after a layoff. Is fast and strong enough to be in the mix.

5 Father Boah resumed from a spell in the last run and finished to third from third on the outside. Should be improved by that race. Our pick. 3 Rönnerdahl can open fast and beat Father Boa in the last run. Has scored two good wins in a row and is developing well. 4 Gucci Girl came back well after a mistake two starts back and in the last run the horse got a tough journey on the outside. Should be improved by those two starts. 8 Miss America failed as a favorite in the last run but put in a good effort anyway. Is consistent and good. Place chance here.

1 Will Eros should have a good chance here if he avoids a mistake. Impressed in the last run in a new record and with a similar performance he should have top chance. 2 Kolbu Prinsen resumes from a spell and is working well. Was matched against much tougher opponents than these last year. Early contender. 11 Brenne Bella is fast and has good skills but has galloped a lot lately. Showed good form in the last run and came back well after a mistake then. 6 Uberg Orion has three mistakes in a row now but is good enough to challenge.

8 Customer As is trainer Lura pleased with. Has scored two wins in a row and looked splendid. Will probably get an offensive trip here despite this poor number. 10 Moose Macau seems in good shape. Was second after a good effort in the last run. Has to travel from Mysen and is certainly well prepared by Göran Antonsen. 11 Straight Line has good skills but he gallops a lot. Could challenge here with the right defensive journey. 4 Frostyhetiger D.C. is a lot better than he has shown. Has galloped a lot and not been able to show his capacity.

2 Kringelandnehemja should have a good chance in this race. Uses to meet tougher opponents than these. 4 **Vertigo Isabelle** is consistent and good and showed the right attitude last season scoring four wins. Challenger without a mistake. 6 **Rymix** is also consistent and fast. Was third in the last run after an offensive journey. Is good enough to challenge here. 9 **Opseth Elma** does not win very often but is quite consistent. Will be driven by gifted Svein Ove Wassberg here and this number is interesting.

3 Langlands Balder showed great skills last year and won also a V75-final. Had lots of energy left in the last run. 6 **Sambo Ø.K.** makes his debut for a new trainer and the seven-year-old has always shown good capacity. Should be in fine form. Main challenger. 8 **V.G. Prinsen** does not win very often anymore. Two starts back he got defeated by Sambo Ø.K. but fought well until the end. 4 **Ness Tjo Fryd** is really good every now and then but he has been unlucky lately. Two starts back the sulky wheel got broken so we forget that start. Got locked in with lots of energy left in the last run.
