7 Mondo Pellini is our pick in this small but tricky field. He scored his maiden two starts back from the pocket. Same position last time, but then he didn't find room and finished with energy left. He is coming more and more and has to be considered. **3 Fabulous N'Away** is not reliable but is one of the fastest horses in this field. Early choice without a mistake. **1 Gem Templar** still has not won yet. Should not be overlooked from this good starting position. **6 Laurina Shadow** has a run under his belt after a long layoff.

Wins often and scored a good second spot at Jägersro in the last race. **7 Universal Tile** has done well in easy companies lately. **6 Winnie Brodda** has not started for a while but has scored nice times and been matched in good companies.

Meets much easier opposition than he is used to and should have top chance with the right journey. **9 Mr Fantastic** is the main challenger. Was fourth in a nice way in the last V85 race. Returns after a 1.5 month break, so his form is a bit hard to predict. **4 Mellica** does alright and faces good conditions in this first circle. **2 Reckless Lad** needs to be better than last time.

6 Zoccie Primus has really good speed for a race like this. Would prefer a nice journey from behind, but as the opposition is not too strong this time, he can do it tough too. Top chance. **2 L'Amiral Readly** is not reliable, but is strong on the days when he is at his best. Main challenger. **1 Gamble Lady Nice** has nice chances and with a slightly improved performance she could be in the mix. **9 Älvdans** has done alright and is normally good enough for this company.

6 Västerbo M.A.S.H. has been match in pretty good company lately and never had a real chance. Going down a lot in class now and if he can just save the speed, he will finish really fast. Seems to be in fine form. **8 Sunrise** is a bit up and down, but has good capacity for this type of race. **10 Dareios Di Poggio** faces a tough double handicap. Possible with the right trip.
