3 Readlyspirit qualified nicely and is well-bred. This is a wide open race, but from a perfect starting position Oskar J Andersson's filly is our pick. **7 Nightcap** was good when she showed 1.19.7/2140 meter in her qualifier earlier in February. Marcus Schön's horses often need a race under their belt, but this horse is already an early choice in this debut. **9 Staro Timo** returns after a layoff. Owns good speed. **2 Global Gladiator** is possible too without a mistake.
