Volt 2140

RANK

6 Brenne Rön did well in the last race, finishing fifth in a race won by Stumne Fyr. Should have a good chance of winning with a similar performance. **4 M.H.Herkules** is consistent. Certainly gets an offensive journey and is one of the hot favorites. **2 Tinder Lars** normally reaches the front and if he can dictate the pace a bit he could lead this all the way. **8 Källsjöving** is keeping up with most of the pace but doesn't win very often. Should be seen as a place bet primarily.

RANK

2 Soulmate Pellini has got two runs under his belt after the layoff and for the new trainer and is clearly on the way up. Perfect starting position and should have top chance. **9 Husavik** had energy left in the last race and showed fine form. Should be seen as the main challenger to our pick. **8 Glory Forever** comes back after a short break but should not be underestimated despite a tricky starting position. **1 Leland P.Hill** is a quick starter and goes for the lead and will probably be tested in that position. Leads the race for a long time.

Volt 1640

RANK

5 Margaritaz has won four out of six races and is unbeaten in the lead after three attempts. If she handles this tricky number, she will be hard to beat again. **6 Glorious Brodde** has found top form of late and is clearly on the way up. Can open quite fast and the chances increase if he could reach the front. **11 Megamind Sisú** has three runs under his belt after a layoff and is steadily improving. Difficult draw, but early choice if the pace is high. **7 No Regrets Renka** is in good shape and should be considered with a perfect trip.

RANK

5 Arn Silvio won after a fast finish in the last race. Has started twice over the short distance and been first and second. Good chance if he handles this tricky lane. **6 Beast** has a suitable starting position and if he can reach the front, his chances will increase. **8 Arpi Broline** put in a strong finish in the last race, finishing second behind Arn Silvio. Will fight for victory but needs some racing luck from here. **1 Blacky Luca** won an easy race last time and showed good form. Now he has a nice starting position over this short distance.
