R1 VINCENNES [L-H]

C1 - PRIX DE SEDAN - 2100m (a1m1/4) - Class D - Harness - EUR € 59,000

- 1. JOBSPOST** - Serious nordic raider that finished like a rocket to secure success in a 2700m Class D here on 14 December. Has since been rested and with stride in check can wrap this up
- 2. MISTER DONALD** - Moderate sort making first start of the new year. Is confirmed over 2100m here but in this category will have nothing to offer
- 3. JOLIE STAR** - Disappointing on the whole this winter but is proven under these conditions. If He And Me's Prix de Paris victory is anything to go by, yard appears to be getting back in shape, and the draw will do her prospects no disservice
- 4. MATEO DI QUATTRO** - Clearly useful but rather disappointing in last 3. Has never been tested over 2100m at Vincennes but is proven over a similar distance and from the 4-spot should not be ignored
- 5. GRAZIELA D'EL** - Imposed under these conditions in early-December but has not been as sharp since and, in this company, is unlikely to create an upset
- 6. JACOMO BELLO** - Dependably performant element that ran 3rd over track and trip earlier this month. Has finished out of the frame just once in 7 course-and-distance starts and will be expected to finish close
- 7. BAYARD (GER)** - Failed to deliver in a Class C over 2700m here a month back, but did win over course and distance earlier in the winter and Matthieu Abrivard will be keen to put things right
- 8. HORIZON D'EYMY** - Eliminated in last 2 but has form under these conditions this winter. Forced to start wide but ability is not in question and with application can go far
- 9. GUESS FOUTEAU** - Put 3 straight eliminations behind her to run 3rd of 16 in a 2850m Class D here last week. Faces a tougher bunch this time though and the wide draw will do her no favours
- 10. DIVA DEL RONCO** - Comfortable winner of a Class D under these conditions 3 weeks ago. Has a particular liking for 2100m over the main track and despite the draw can figure prominently at the business end of the race
- 11. DILVA JET** - Quality Italian mare that lost her action in a Class D under these conditions on 3 February. Eric Raffin in the bike this time and, although not a priority, is still worth keeping an eye on
- 12. CHEMAR** - Gives a good account for the most part at Vincennes but latest San Siro run did nothing to inspire confidence. Disregard
- 13. SIDNEY CELEBER** - No slouch on a good day, and has form over course and distance, but eliminated in last 2 and others easier to trust
- 14. JUANA DE SEY** - Handy mare that ran 3rd in a 2175m Class E here a month back but at this level has no possible chance

WEDNESDAY, 25/02/26

15. DYLAN DOG FONT - Raced considerably better behind JACOMO BELLO (6) in a Class D over track and trip 3 weeks ago than the result would suggest, and should logically show improvement if kept out of trouble

Summary: A fine campaigner at home in Sweden, JOBSPOST (1) made it third time lucky at Vincennes when dominating a 2700m Class D in mid-December. He may not have been seen out since, but is plainly in competition-mode and can get straight back down to business if Mathieu Mottier gets him off on the right foot. DIVA DEL RONCO (10) is not ideally-drawn but she has excellent course-and-distance credentials and looks the main threat. JACOMO BELLO (6) has been knocking at the door this winter and can again finish close. BAYARD (GER) (7) returns to a more reasonable level after last month's disappointment and will be expected to make amends. HORIZON D'EYMY (8) returns to France after freshening up at Mons, sports a new configuration for the occasion, and will not be far off the mark if he stays in stride.

C2 - PRIX D'AMBERT - 2200m (a1m1/2) - Class B - Harness - EUR € 43,000

- 1. NOBLESSE JISCE** - Modest mare making Vincennes bow after being eliminated on Mauquenchy re-entry 2 weeks ago, and can expect to have few friends
- 2. NATION HAUFOR** - Very disappointing when eliminated in a Class C over course and distance on 27 January. 4 pads fitted this time, but still appears to have nothing to contribute
- 3. NEPTUNE DES ARRIS** - Sports front pads for the first time under harness after being eliminated in the other code here on 13 January. Is not a priority but cannot be discounted either
- 4. NORTON ELCE** - Has not been seen out since 11 December when beaten only by a very good horse here. Is new to 2200m but has shown decent versatility and looks main danger to NO TIME DU DONJON (11)
- 5. NAXOS DIBAH** - Missed out to NO TIME DU DONJON (11) in a 2175m Class D here on 15 January. Is reconfigured for the first time and Gabriele Gelormini can be quietly confident of a competitive performance
- 6. NINA HAGEN** - Back over the inner course after finishing last but 1 in a 2700m Class A here on 17 January. Has merit but others still easier to back
- 7. NALA LEALMANI** - Gave a good account on Vincennes debut when 2nd in a 2100m Class D a fortnight ago. Should take well to the inner-track profile and can figure prominently
- 8. NOUMEA DES BROUETS** - In the frame in all 3 starts to date, including over course and distance, but has not raced since October and will not be given a hard race
- 9. NOVA DE CELLAND** - Drops down the category-ladder after finishing last but 1 in a 2700m Class A here on 7 February. Is plainly better than that though and the revised shoeing may be just the ticket
- 10. NELATI DE MORGANE** - Returns to a more reasonable category after coming 7th behind NELSON SWIFT (12) in a 2700m Class A here 2.5 weeks ago. Was not disgraced that day and will have his supporters
- 11. NO TIME DU DONJON** - Made short work of a 2175m Class D here mid-January before faulting with his trainer in a Class A 2.5 weeks ago. Is unbeaten with his driver who will be hopeful of keeping that fact relevant
- 12. NELSON SWIFT** - Useful colt that ran valiant 5th in a 2700m Class A here 2.5 weeks ago. Is in his category this time and, with his mind on the game, can finish close
- 13. NATIWHEL** - Interesting colt that has yet to get off the mark but has shown a liking for these conditions. Benefits from a terrific entry and with pads fitted for the first time should be good enough to make first 5
- 14. NATURALLY STAR** - Returns to the harness code after losing her action in a Gr.3 over course and distance 12 days ago. Front pads fitted for first time but still not a concern

WEDNESDAY, 25/02/26

Summary: Still somewhat green but clearly a colt with a future, NO TIME DU DONJON (11) is reunited with Eric Raffin who won with him here last month, sports pads for the first time, and can return to victorious ways. The lightly-raced NORTON ELCE (4) has demonstrated considerable aptitude and the drop in distance should work to his advantage. NELSON SWIFT (12) gave a surprisingly good account in a Class A here earlier this month and will not be sent out at 58-1 this time. Second to the Dreux horse here last month, NAXOS DIBAH (5) will be fitted with 4 pads for the first time and is unlikely to be far from the action.

C3 - PRIX DE FLOGNY-LA-CHAPELLE - 2700m (a1m1/2) - Class E Amateur Riders - Harness - EUR € 32,000

1. **MAITRE DU CHENE** - Has not been seen out since running 4th in a Mauquenchy Class E in late-November, and will have few takers
2. **MADE IN CASTELETS** - Well-beaten 5th of 6, on return to competition, in a Class E here on 13 January. Goes barefoot this time but still not an obvious choice
3. **MEDICI DE BUSSET** - Will have come on for his return run when 4th in a Class E over course and distance on 14 January. Will be barefoot again and looks the one to beat this time
4. **MERVEILLEUX** - Produced a good performance on comeback in a 2850m Class E here on 6 January. Is fully barefoot this time and will be dangerous if he takes to the main-track profile
5. **MAJOR DU MARGAS** - Mixes the good with the less-good but has form with his young driver, and should figure prominently if he keeps his charge trotting
6. **MUNCH CLUB** - Unremarkable sort that has failed to make any impression in 2 starts here this year and can be confidently passed over
7. **MALIUM** - One of the more complicated horses in the field, but is not without merit, and can get back in the game if Justin Maillard manages to keep him focused
8. **MARQUIS LA MAZURE** - Serious type that ran an unlucky 5th of 6 behind MATCHO MESLOIS (11) in a Class E over course and distance 3 weeks ago. With stride in check, can make amends, but still represents a minor place prospect at best
9. **MYLEY ELDE** - Took little time getting back in shape, latterly 2nd of 8 in a 2850m Maure-de-Bretagne Class E early this month. Sports front pads for first time and can get a look in
10. **METEORE ETOILE** - Won a Mauquenchy Class E a month back, when unshod-behind for the first time, but takes on a big challenge on this occasion and is unlikely to spring any surprises
11. **MATCHO MESLOIS** - Acquitted himself well on comeback 3 weeks ago when 3rd under these conditions. Goes barefoot again and although unlikely to win this, should nevertheless finish in the mix
12. **MY DREAM DU GRAIS** - Got off the mark mid-January in a Toulouse Class E. Is less competitively-shod this time though and cannot be considered a player
13. **MOZART DE L'ITON** - Opened his account at Nantes in early-December before running 2nd over 2100m here late last month. Debuts over the main track but in current condition is easy to fancy for a place on the podium

Summary: MEDICI DE BUSSET (3) gave a good account of himself on his comeback here in mid-January; he races first-time barefoot and can impose. He should nevertheless meet opposition from a similarly-reconfigured MERVEILLEUX (4) who takes to the main track with justified ambition. Just 85 Euros from elimination, MOZART DE L'ITON (13) is also new to these conditions but is plainly in fine fettle and will be justifiably well-supported. MATCHO MESLOIS (11) has made the frame in both appearances under these conditions and will be expected to continue his fruitful ways.

**C4 - PRIX DE DRAGUIGNAN - 2175m (a1m1/4) - Class C - Mounted - EUR
€ 46,000**

- 1. MID DANCER** - Has been revitalised since starting to race barefoot, most recently 2nd in a 2700m Class D 9 days ago. Has ground to make up though and others preferred this time
- 2. MAJUSCULE** - Ordinary sort that is regularly asked to do too much and this is one such occasion
- 3. MUSIQUE NAY** - Capable filly but has not been seen out since last October and best to keep one's powder dry
- 4. MOJITO DES ECUS** - Starts for the first time since running 2nd of 9 in a 2700m Class D here on 19 December. Hind shoes off for re-entry and, while not a contender, can still get a look in
- 5. MAGYC BERRY** - Unremarkable type that was eliminated on sole start over 2175m here. Prepped in the provinces mid-month but is being aimed too high this time
- 6. MAXIMUS DAIRPET** - Has shown decent aptitude since switching codes. Gave a decent account over track and trip earlier in the month and can again hold his own
- 7. MILLESIMA** - Generous filly that will sport modified shoeing after being eliminated on comeback here earlier in the month. Has buckets of untapped potential and must be afforded respect
- 8. MISTER DU LOISIR** - Takes to main track for the first time after securing 2 straight over the inner course. Is pitted against better this time but in current condition is easy to fancy for a place in the frame
- 9. MARIO DE LA VALLEE** - Useful colt but was surprisingly out of sorts here earlier this month. Goes first-time barefoot and can start to come good again
- 10. MARIEVA DE LOU** - Superior winner of a 2200m Class D here on 5 January. Has yet to deliver over the main track but comes here fresh and barefoot, and looks a serious proposition
- 11. MAHIZ DE GUEZ** - Serious filly that has shown significant promise. Gets to race barefoot for the first time and, under Alexandre Abrivard, is unlikely to disappoint. Claim
- 12. MINILADY DE CHOC** - Yet to lose her maiden tag and is not a priority this time either, but showed improvement earlier in the month and should be taken more seriously

Summary: A quality filly that ran 2nd here on her return to competition here last month, MAHIZ DE GUEZ (11) races first-time barefoot and is going to take all the beating. Leading the opposition, MARIEVA DE LOU (10) outclassed the field over the short course here in early-January and will also run barefoot. A serious future prospect, MILLESIMA (7) has been reconfigured for her first objective of the new year and, with application, will be no easy touch. Like a horse transformed since starting to race barefoot, MISTER DU LOISIR (8) makes his main-track bow on a hat-trick and Benjamin Rochard will be determined to deliver.

C5 - PRIX DE CHATEAU-SALINS - 2700m (a1m1/2) - Class D - Harness - EUR € 46,000

- 1. KIM SPEED** - Quality mare that easily won a Class D here last week, but is being conditioned this time, and can be ruled out
- 2. KIBORA BUISSONAY** - Came 2nd over the inner course prior to running 5th in a Class E over course and distance early this month, but is out of her depth this time
- 3. KISS ME DU LIVET** - Failed to confirm Mauquenchy victory when eliminated here 2.5 weeks ago, and will have nothing to offer
- 4. RAGAZZA DU CHENE** - Runner-up to NICE STEEL (15) here, 6 days before losing her action in a 2850m Class D. Form is not in question though and, if focused, can make a big splash
- 5. KALITY D'ERABLE** - Starts for the first time since flopping in a 2850m Class E here on 28 December. Has previously won here but is not about to shake things up
- 6. ELEGANZA AV** - Occasionally a handful but has ample ability and, barefoot with Alexandre Abrivard reining, clearly means business. First 5
- 7. KARA DE PIERREPONT** - Facile winner of a 2850m Mauquenchy Class F a fortnight ago. Yoann Lebourgeois stays faithful, but in this category will have too much to do
- 8. KEMILLA DE BRION** - 2nd on re-entry here late-December, then repeated in a 2850m Laval Class F a week ago. Is hard to knock when barefoot and focused, and can play a leading role
- 9. KRONA VIKING** - Eliminated on re-entry at Mauquenchy late last month. Has never excelled at Vincennes, and is not about to this time either, but can still play a small role
- 10. KWALITA SUPREME** - Placed under these conditions in early-December but out of the picture in 2 since. Eric Raffin reining this time and will not be far off the mark if he keeps her mind on the task at hand
- 11. KALIAKIE PHEDO** - Gave a fine account on comeback at Maure-de-Bretagne 2.5 weeks ago when 2nd of 12 in a 2850m Class E. Is reconfigured for the occasion, thrives with Francois Lagadeuc, and is unlikely to disappoint
- 12. ESTEREL GI** - Handy mare that pleased in 1 of 2 under these conditions. Has been showing her form at home and can compete for a place in the frame this time
- 13. KASSIOPEE DREAM** - Modest mare that has placed just once in 5 starts here. Goes barefoot this time but others still preferred
- 14. KATIA DE MUZE** - Went off the boil after imposing here last April and has shown no sign of a return to form
- 15. NICE STEEL** - Held her own in a 2850m Class C here on 31 January, a little over 2 weeks after having imposed over track and trip. Is reunited with Benjamin Rochard who was in charge that day, and a repeat is easy to envisage

Summary: Impressive in both starts since coming south, NICE STEEL (15) takes a dip in category and looks eminently capable of confirming last month's course-and-distance victory. Runner-up to her that day, RAGAZZA DU CHENE (4) is easy to like, as is KEMILLA DE BRION (8) who has finished second in both return runs. Regularly in the thick on things here, the Italian ESTEREL GI (12) is back barefoot and will be expected to play an active role.

C6 - PRIX DE BEMECOURT - 2700m (a1m1/2) - Class D - Harness - EUR € 40,000

- 1. MARGOT DE BETAN** - Has delivered in neither Vincennes harness start. Races barefoot again but still has nothing to contribute
- 2. MAFIA RINGEAT** - Steps up in category after dominating a Class E under these conditions on 29 December. Takes on some barefoot contenders this time and cannot be regarded a priority
- 3. MERYTATON** - Modest filly sporting a fresh configuration and appears to have no realistic chance
- 4. MY DARLING HAUFOR** - Unlucky 7th behind MAKE IT RIGHT (6) in a 2100m Class D here 2.5 weeks ago. Is plainly close to her best and, if kept out of harm's way, can set the record straight. Claim
- 5. MELVIANA** - Has come on leaps and bounds since being entrusted to Eric Raffin. Has no references over the main track, but nevertheless has a lot going for her here and the 3-timer looks a distinct possibility
- 6. MAKE IT RIGHT** - Won a 2175m Class E here on 22 January, then ran 4th in a 2100m Class D here 2.5 weeks ago. Goes well for Benjamin Rochard and will not be returning home empty-handed
- 7. MYRIAM D'AZUR** - Denied a run behind MAKE IT RIGHT (6) in a 2100m Class D here 2.5 weeks ago. Showed her condition all the same though, and can make a splash if kept out of trouble
- 8. MANDRAGORA FLEURY** - Won over track and trip last September but flopped in next 2. Has not raced since early-November and is going to need the run
- 9. MANDARINA DE LOU** - Eliminated as often as not but has ability, which he showed in a 2100m Class D here earlier in the month. Is not about to win this but, with application, can get in on the action
- 10. MISS UNIVERS** - Races with front pads fitted for first time, having been eliminated on re-entry at Saint-Galmier 9 days ago. Placed in 2 of 3 main-track starts and will be reunited with Mathieu Mottier
- 11. MAURICETTE BLUE** - Got back in the game here earlier in the month when 2nd of 10 in a Class D over course and distance. Faces a tougher test in the company, but is still good enough to play a small part
- 12. MISS DE LA COTE** - Kicked the winter off nicely but out of the picture in last 2 here. Hind shoes back on but others still easier to support
- 13. MAKARINA DE BOMO** - Ran 3rd over course and distance in December before being eliminated over shorter on 17 January. Is never far from faulting but will not be far off the mark if applied

WEDNESDAY, 25/02/26

Summary: A talented filly with nothing to prove at this level, MY DARLING HAUFOR (4) was a bit too spirited here earlier in the month, but has otherwise been in top shape and, if applied, can return to successful ways. MYRIAM D'AZUR (7) would have finished closer that day had she been afforded a run, and Franck Ouvrie will be keen to put things right, however she will first have to see off a barefoot MELVIANA (5) who is unbeaten in 2 starts with Eric Raffin. Wonderfully-entered at the limit of earnings, MAKARINA DE BOMO (13) will be competitively-shod and can play an active role if Pierre-Yves Verva keeps her focused.

**C7 - PRIX DE MONPAZIER - 2850m (a2m) - Class B - Harness - EUR €
52,000**

- 1. GOLD MAIL** - Won a Class D over course and distance on 27 January, but eliminated early in a Class B here 5 days later. Quite clearly has merit but is unlikely to cause an upset
- 2. MUSCLE DREAM** - Justifiably well-regarded colt that will be competitively-shod for the first time and, if sufficiently tuned up for the occasion, can play a prominent role
- 3. MELCHIOR JAMES** - Honest colt that was surprisingly lacklustre in a 2175m Class B here 10 days ago. Goes over any distance and, on character alone, can make first 5
- 4. MACAREUX DU TRIEUX** - Returns to the harness code after opening his monte account with ease here early this month, but will have other ambitions
- 5. MAESTRO DE L'AUMOY** - Serious colt with form at a superior level but has just the one race under his belt since last summer and being fitted with pads does nothing for his chances
- 6. MAESTRO JAMINI** - Put a pair of eliminations behind him to run 3rd behind MELI MELO DE CHENU (10) here earlier this month. Has ground to make up but will be barefoot for the first time and cannot be ruled out
- 7. MALUMA D'ANGIS** - Reunited with Eric Raffin after being prepped in a 2700m Class A here a month back. Is new to 2850m here but is still easy to fancy for a place in the frame
- 8. GILL DORIAL** - Put in quite the performance to run 2nd in a 2100m Gr.3 here on 13 December. Is unraced since but is plainly in competition-mode and could well prove main threat to MELI MELO DE CHENU (10)
- 9. MISTER CHARLY** - Useful colt dropping back in category after a pair of disappointments in superior company. Has shown decent aptitude for the distance but others still easier to back
- 10. MELI MELO DE CHENU** - Hardy sort that has turned a corner this year, most recently fine 2nd in a 2700m Class B here early this month. Front pads added to the equation this time and will be a tough nut to crack

Summary: Quite clearly back at the top of his game, and nicely-engaged too, MELI MELO DE CHENU (10) sports a fresh configuration for his first start over the distance and is easy to like for the win. That being said, GILL DORIAL (8) impressed in a Gr.3 here last time out and, even though not having raced since mid-December, he will be shod as he was when victorious in Modena and looks capable of upsetting the apple-cart. MALUMA D'ANGIS (7) simply excels with Eric Raffin and is very hard to ignore. Confirmed at this level, and at the venue, MUSCLE DREAM (2) sports modified shoeing for his first goal of the season and Mathieu Mottier can be forgiven for feeling bullish.

C8 - PRIX DE LURE - 2700m (a1m1/2) - Class E - Harness - EUR € 52,000

- 1. IL MIO** - Showed improvement when 2nd in a claimer over course and distance recently, but is biting off more than he can chew this time
- 2. HYPER HAUFOR** - Takes a notable hike in category after running 4th in a 2850m amateurs Class F here on 30 January, and is unlikely to spring any surprises
- 3. HIGH MONEY D'AVRAN** - Pleasant 5th, on return from a spell, in a Graignes Class E 2.5 weeks ago, but has a lot more to find on this occasion
- 4. GUEPARD GRIFF** - Last but one behind IDEFIX JIHEM (14) in a 2100m Class E here on 1 February. Tends to show more in the amateur division and can be passed over
- 5. HOUSTON DE CUIGNY** - Useful sort that won a Bordeaux Class F 2.5 weeks ago, on his first start since last October. Will have come on for the race and, already a winner for Eric Raffin, should again figure prominently
- 6. INSIDE** - Moderate trotter returning to Vincennes after 4 straight eliminations and even though barefoot, is still not easy to trust
- 7. IMPERIALE MIVENCE** - Fine servant that seldom disappoints when barefoot. Made short work of a Saint-Brieuc Class E on 1 February, placed on sole start here, and returns to the venue with a good hand to play
- 8. IZZIE D'ERONVILLE** - Has evident ability but has looked very ordinary of late and others easier to back
- 9. IRIS INTENSE** - Bought out of a claimer here late-January then returned to winning ways at Vire 12 days later. Goes barefoot again and on good behaviour can double his money
- 10. HELALI DE MONTCEAU** - Has been disappointing on the whole for some time and is not about to set off any fireworks
- 11. IENISSE DE BARBRAY** - Decent trotter with a race under his belt following the Yuletide break. Goes barefoot this time, with Yoann Lebourgeois in the bike, and is not one to be underestimated
- 12. I LOVE IGNY** - Produced 3 fine performances prior to being eliminated in a 2100m Class E here on 1 February. Is not a priority but is not completely out of the picture either
- 13. IXEL DE L'AUMOY** - Got straight back in the game at Nantes 12 days ago when 3rd in a 3000m Class E, his first start for Romain Jajolet. Will have progressed for the run and can get a look in
- 14. IDEFIX JIHEM** - Runner-up in last 3 starts, most recently missing out by little in a 2100m Class E here on 1 February. Is in with a shout once again but may have to settle for another place cheque
- 15. HENRIQUE** - Has not been seen out since running 3rd in a 2850m Class E here in early-November, but is shod to preference, with Mathieu Mottier reining, and clearly means business. Chance
- 16. INEDIT DU PAVILLON** - Made up for Toulouse blip when 3rd, a place behind IDEFIX JIHEM (14), in a 2100m Class E here on 1 February. Trainer could not have wished for a better entry and Matthieu Abrivard will be eager to deliver

WEDNESDAY, 25/02/26

Summary: A tricky character at the best of times, IRIS INTENSE (9) nevertheless delivered on his first start for Alexis Grimault and, with application, can repeat. He can still expect to come under pressure from the well-engaged HENRIQUE (15) who will be reunited with Mathieu Mottier for his return to competition, and the even better-entered INEDIT DU PAVILLON (16) who will endeavour to turn the tables on IDEFIX JIHEM (14) who had his measure here early this month.
