Auto 2100

9 Wivar finished very fast to a second spot in the last run. Is a bit up and down but should have a good chance with a similar effort. 6 Haugestad Fus resumes from a four months back. Is good enough to be in the mix and should be considered directly. 10 Ingfaxen makes his seasonal debut too. Put in a couple of nice efforts last year. Trainer Ödegaard uses to have his horses well prepared. 5 Nøtnes Gutten is up and down but scored a nice second spot on January 25 and won the last run after an inside journey. Tougher opponents here.

### RACE 2, V65-2

Ridden race. 2 Longcat Hanover has Frode Hamre not been very optimistic about so far this year but the horse was improved in the last V75-race. Early contender. 6 Vitro Diablo is really good when he is at his best. Likes this discipline and the short distance. Has only one run under his belt though. 1 Mellby Frodo has done very well under the saddle and scored an impressive win on October 18. Resumes from a spell and the chances are not easy to predict. 3 R.S. Dream is normally not as good as our top trio but is in fine form and has been successful in this discipline.

### RACE 3, V65-3

Volt 2100

5 Å.M. Luna wins often and scored seven victories last year. Has already three wins this season and faces nice conditions here. 3 Kleppe Tuå faces interesting conditions and could find the lead here. Will not be easy to reach for her opponents in that case. 15 Lome Perla finished very fast behind Å.M. Luna in the last start. Could challenge with the right trip from the back. 11 Nordby Flamme has already scored three nice wins this year and finished really fast in the last run. Tricky number here and needs some racing luck.

### RACE 4, V65-4

Auto 1609

10 Alegrito has good capacity for this class. Scored a splendid victory in the seasonal debut and is the favorite here. 4 Freedom galloped directly in a V75-final but put in a couple of great efforts before that. Main challenger. 2 Kendrick B.R. has developed well for Lars Raaum. The horse can open fast and likes this short distance. Was not at his best in the last ridden race though. 7 Thai Manhattan has not lived up to his capacity but is really good every now and then. Tricky number this time.

5 Nelson Rappen showed great capacity last season and now he belongs to the Frode Hamre stable. Won very easily in the seasonal debut and should be even better now. 10 Fakserling looks splendid. Met tough opponents on Åby on February 11 but scored a good second spot. Possible if the favorite would fail. 6 Jerven Junior has shown great skills during his whole career but he has galloped a lot too. 9 Stjernerdag has started this year with three wins in five attempts. Is developing well and could get a nice journey here.

### RACE 6, V65-6

Auto 2100

5 Take This Society is probably the best horse in this field and won from outside the leader two starts back. We think he will put in a great performance again here. 2 Mighty Boy was matched against tough opponents last year and comes from a well deserved victory. Main challenger. 10 Access is getting better and better for new trainer Frode Hamre. In case of quick pace he will defeat many opponents here. 3 I.D.Excellent is sometimes a bit fiery but if she stays calm she has to be considered early and could be dangerous on the home stretch.
