Auto 2100

RANK

7 Macbeth B.R. got locked in last time in a V85 race. Now the six-year-old is stepping down in class and despite the lane he should have top chance of winning this race. **6 Thai Vermont** flew past his rivals over the home stretch last time. Better with that run under his belt and the biggest threat to our pick. **5 A.K.S. Liona** faces nice conditions but needs a perfect race to challenge for the top positions. **2 Lovesickle** will have difficulty winning here and is primarily a place bet.

RANK

6 Not Over The Top did not trot well at the end of the last race but still finished fast. This is the right distance and the five-year-old should have the best chance to win this race. **3 Euro SL** galloped suddenly in the final turn last time. Won four starts ago and looked really nice then. Has to be considered here with a similar effort. **2 Lee Arc** is consistent and good but still without a win. Barefoot forward now is an exciting change. **5 One Of Us** is not that bad but can easily gallop. Could surprise without a mistake.

Auto 2100

RANK

9 Behind The Kop is a classy type who has won three of five starts after finding an early lead. An offensive trip is expected and this looks like a nice task despite this number. **2 Quarterback** won his seasonal debut after a strong final lap. Is well drawn and the six-year-old is one of the better horses in this race. **6 Thatsallright E.P.** made a mistake in the last race but is normally reliable. In the mix. **5 Feeling Superb** is making his seasonal debut and might need this race.

RANK

7 Martinique Decoy finished really well as second in the last race after a tough journey on the outside of leading and winning Kid Arc. Faces good conditions here and should have a nice chance of winning. **3 Captain Tilly** has not started since May last year. Has good skills and should not be underestimated in this seasonal debut. **9 Malone** won easily with energy left in the last race. Gets a defensive trip and will pass many opponents at the end. **1 N.O. Boy** has a nice starting position, but needs to step up to be in the mix here.
