Sture** galloped behind Stumne Fyr when he found an opening last time. In the race before he got locked in with lots of energy left. Towards the front now, and how will the tactical plan be over this short distance? **3 Oppgårdsdrängen** has shown great development of late. Bike now. **7 Järvsöodin** won the Swedish Championships last year but has been up and down.

**4 Illusion of Joy** has been matched in the V75 in the last four starts but has been unlucky. First barefoot now and is working well. New trainer and is working well. **12 Envies Goldneck** has been a bit unlucky lately but is a fast sprinter. **2 Lily Mearas** is very up and down but has nice speed. Top driver.
