8 Stella Ammik did really well as a 3-year-old and finished third in the Norskt Stokriterium and then won the Norskt Travoaks. Poor lane but faces quite easy opponents. Seasonal debut, but should have a good chance. **12 Catchagaga Volo** won the Stokriterium ahead of Stella Ammik, among others. Unplaced in two straight starts, including the seasonal debut last time. Should be better now. **11 A.V.'s Shannon** is speedy. **10 Rihanna T.G.** could be a place bet.

10 Bare Mattis is developing all the time and shows good strength and speed and the right attitude. Has been really strong lately and he should have top chance despite this handicap. **5 Kringelandkyro** comes with two wins in a row and is driven by Tom Erik Solberg this time which is interesting. **9 Troll Sterk Faksine** was nice in the seasonal debut and is matched in good company. **4 Lykkje Proffen** is experienced and consistent and good.

1 Tiger Tile has done really well during the winter and has shown good development. He faces perfect conditions here here and Kristian Malmin's trotter should have a good chance to lead this throughout. **13 Extreme Point** is extremely good and one of Norway's best horses. He faces a tough handicap here but is strong enough to fight for victory. **14 Don't Say Gar** is possible too but needs some racing luck. **8 Yukon Töll** wins often.

1 Gaio Noark has really well lately and shown good form. Perfect starting position and as a quick starter he should have a good chance of finding the lead. Short distance and barefoot: he is the horse to beat. **10 Get Going** has good capacity and did well as second in the last race despite a gallop. Tricky lane but still an early contender. **6 Haaland D.E.** could cause an upset. **4 Gaagaa Classic** has been very nice barefoot, only barefoot in front now.

5 Grude Nils has been the best horse of his year. Returns after winter training. Perfect lane. Quick starter. Our winner. **9 Tangen Nils** has a run under his belt after the winter break, unlike our pick. However, this number is of course a big disadvantage, as he will get a tough journey on the outside of the leader. Early choice anyway. **10 Brenne Brago** is normally not as good as our top duo. **6 Spang Tix** can finish in the top three.

12 Skeie Ylva has been in tough company most of her career and still hasn't made much money. So she's really good for this class and now the horse competes barefoot in the seasonal debut. Very interesting. **10 Brenne Olivia** is not reliable but has very good speed. Early contender without a mistake. **13 Mjölner Tyra** has been consistent and good most of the time and is also quite reliable. **11 Kleppe Nisseemor** could be a place bet.
