4 Bitcoin likes the short distance. She is not used to this number in the circular start but if she avoids a mistake she will go around many opponents at the end. 5 Del Ray Pellini has been consistent and good this year. Should handle this number and has to be considered early in that case. 9 I'm a Believer comes from a nice third spot. This small field is an advantage and she should be followed too here. 8 Argbiggan earned almost 700,000 SEK last year and uses to meet tough opponents. Is better than the latest results show and has to be followed.

10 Diggers Fromheaven won directly after a longer break in the last race. Should be even better now and this number is interesting. Good chance. 6 Juni Rapid has put in a couple of strong efforts lately and could score the first win of this season here. Challenger if the horse handles this number. 1 Teton Farfetch is consistent and good but has not won yet. Nice number and in the mix again. 8 Center Teemer came in second two starts back and was brave. Good place chance this time.

6 Handsome Brad is a top horse who uses to meet the elite. He faces easier opponents here on his home track and should have top chance to win. 1 Shocking Superman is good for this class but does not always trot well. If he is at his best he could challenge the favorite. 2 Island Life finished well in the last race and was improved. Good place chance with the right trip. 7 Ragazzo da Sopra has not convinced for a while but he has a couple of races under his belt now. Outsider.

4 Excellent Diamond has convinced lately. Won despite a trip outside of the leader in the last race and should have a good chance again. 7 Rossi Garline resumes from a spell and makes his debut for Flemming Jensen here. Is good enough to challenge for victory directly. 6 Luringen la Ma gave up in the lead in the last race but with that run under his belt he should be better now. 11 Nikita Vrijthout is consistent but has not won yet this year. She is one out of many outsiders in this race but needs some racing luck.

7 Dornoch Am won directly after a long break two starts back. Was not as good in the last race but did alright anyway. Our winner here with the right journey. 9 Climber finished well to third in the last race. Interesting this time together with Jepson. They should be considered early here. 5 Chivas L.I. has scored a couple of third spots lately. Set a new record in the last race and will soon score the first win of the season. 3 Flash Gordon Sisu is in great shape and this short distance suits him well. In the lead he could be hard to reach here.

2 Hooper des Chasses has won four out of nine starts this year and put in several strong efforts. Is well drawn behind the gate here and faces quite easy opponents. Good chance. 5 Air Space finished fast on the open stretch two starts back. With the right journey he could go around many opponents here too. 11 Zanardi Grif was third in the last race in Italy. Won in the lead on December 13 last year but did not trot perfectly. Debut on Swedish soil here. 4 M.T.Nosler is really good every now and then. Outsider.
