8 Global Brexit earned more than 300,000 SEK last year as a three year old and won five races too. She won in the seasonal debut and should be followed this year too. Has met tough opponents but faces easier horses now. 1 Armida F.B. won the seasonal debut too and when she is fit she can match tougher horses too. Likes to run in front. 4 Power Swirl has been up and down but looked nice in the last qualifier. Should not be underestimated. Outsider. 9 Listas Thaitanic is really good every now and then and the form is better than the latest results show. Contender.

13 Tinder Lars has won seven out of ten starts and looks really nice. Was too fiery behind the gate in the last race but came back really well to a second spot. Is in good form and will be hard to beat here. 6 Åsa Klipp got a tough trip in the last race and this longer distance is an advantage. New driver. 12 Pilas Dunder finished strongly in the last race and was close to Åsa Klipp at the end. Is on the way up. 11 Zibor has put in two strong performances. Faces tougher opponents now but can certainly match them too.

3 Cross Track was beaten in the lead in the last race but has been improved for the new trainer and he is strong and reliable. Could be hard to reach in the front. 5 Global Catwalk is a three year old who faces older opponents here. She was very promising as a two year old but has failed after that. Comeback now and should be followed. 11 Foppa Sisu could reach a nice position with this number and has been consistent and good too. Got a tough trip in the last race. 2 Sally's Love scored the latest victory in the lead and should be followed in this comeback.

12 Eightdaysaweek won directly in the debut for a new trainer and has shown that he should be considered early for the new trainer. Finished well in the last race after a late opening. Will get a more offensive trip this time. 8 Jagger Boko has not convinced lately but is driven by a professional now. Early contender without a mistake. 11 Mycrazydream has been more consistent for the new trainer and with a better opening than in the last race he has to be considered early. 10 Okashi Cheri has earlier caused an upset against tough horses and he prefers to compete over the short distance.
