RACE 1, V4-1

Auto 2140

5 Mayia Exclusive dictated the pace in the lead in the last run and won easily. Should be on the way up after a long pause. Our pick. 11 Swish Brodda galloped directly in the seasonal debut and the chances are not easy to predict. Is fast enough to be in the mix. 2 Saffiano scored two wins as a three-year-old last season and is looking for that form. Is well drawn behind the gate and can open fast. 12 Global Dame would prefer quick pace. In that case she will defeated many opponents at the end.

2 La Fille de Niky resumed from a long spell in the last run. Kept up the pace well and 2640 meter should suit her well. Our pick. 6 I am Timmie has won two races over the long distance. Can do it tough and should be considered early. 7 Mahadour has done well in both starts this year. The four-year-old showed in the last run that he stands this long distance. 12 Powerbank F. won despite a short mistake three starts back. In case of quick pace he should be considered early.

2 Beawinner is not reliable but when he avoids a mistake - like in the last run - he is good for this class. Nice number and our pick. **5 Gilmore Trot** resumes from a long pause. Uses to meet quite tough horses and should be considered early directly. **8 A Sniper** seemed to have energy left when he galloped in the last race on Romme. Is not reliable but is possible here despite this number. **1 Kalle Taxam** has got a break. Prefers to run in front so this number is the right one. Contender.

6 Interwall made it to an E3-final last season as a three-year-old but did not develop as expected. Seems on the way up again now and is our pick. **3 Vichel J.C.** was close to win in the lead two starts back. This number and this distance suit him well. Contender. **5 Current Leader** was a bit too fiery after two false starts in the last run. Does not win very often by has good place chance without a mistake. **1 Aspen Broline** has got a nice number. Has only one victory in 41 starts though. Place chance.
