6 Lingonris is really good for this company. Won at this track in the last race and is driven again by Birger Jörgensen. Good chance. **7 Lanson** is not entirely reliable but has good skills. Won despite a gallop two starts back and is the main challenger. **9 Staro Torino** won with Victor Rosleff two starts back. A bit tricky number now but in case of quick pace he could be in the fight for victory. **5 Leonardo** won at the end of March and came back really well after a mistake two starts back as third. Possible with a similar effort.

8 Bekir HTV is clearly the best horse in this field and faces nice conditions. Has been competing in the V85 in Sweden and faces easier opposition now. Good chance despite this number. **3 Get In Your Pj's** won four out of twelve races last year but is still without victory this season. Has been consistent and good towards the end but faces tough conditions money-wise. **10 Iena Downs** is not that bad but she has got a tricky number again. Hopes for quick pace and in that case she will pass many opponents at the end. **5 Havana Beach** is coming off a win but face tougher conditions this time. Driven by Victor Rosleff.

2 Levelup S has not started since December but this seems a very good horse having won five of seven races so far. Is probably well prepared and has an excellent number. Good chance. **11 Kissed By Rain** wins quite often too and comes from a nice win in an amateur race. Needs a bit of luck from here but is a contender if the pace is high. **3 Knockles** has won five of 16 races. Comes from two starts at Jägersro and is driven again by Victor Rosleff. Warning. **4 Pure Caviar** was third despite a mistake in an amateur race last time. Has nice speed and should be considered behind our favorite.

3 Kom On Butcher won outright in the last race at this track after a very long layoff. Should probably be even better now and has a clearly better lane than the main rivals. **9 Louisiana** has two runs under her belt after a layoff and finished second in both starts. A bit tricky number of course but with the right trip she can challenge. **10 Luci de Lux** has a difficult lane too. Was fourth in the last comeback race and should be improved by that run under her belt. Meets easier opposition than she is used to. **1 Linus Shadow** has only one win in 15 starts but should get a nice trip from here. Outsider.
