Open race. 10 Bill Gates is really good every now and then and despite a break he is our pick here. He is strong and can do it tough. 12 Worrywart is also strong and this poor number is not a big handicap. Has shown good form lately and is an early contender. 4 Glide Devie can open fast and is in better form than the latest results show. Deserves a victory and is worth a warning. 2 Ozzy's Melody is fast and won in the lead two starts back.

6 Wilda Simon has shown very good capacity for this class and he has scored three wins in the last four races. Has both won over the short and long distance and is all-round. Nice task again. 3 Valle Saga is more fast and could take advantage of this short distance and this nice number. Challenger now with the trainer in the sulky. 2 Pilas Dunder has looked nice lately and with the right defensive trip the horse can finish fast. 1 Åsa Klipp is not reliable but has become faster. Outsider.

8 Lesja Odin started his career with 29 (!) straight wins and is one of the biggest cold blood talents we have ever seen. He has been defeated a couple of times now but he is really fast for this low class. Hard to beat. 1 Järvsö Tord galloped in the last comeback race and the form is a question mark. He is fast enough to be in the mix here. 12 Kalmar convinced in the last qualifier and will be interesting to see in this comeback. 5 Järvsömallan likes the short distance and could find the lead here.
