8 Euro S.L. took two straight wins in April and May. Galloped in the lead shortly before the finish last time on his way to a second place. Chases revenge but has a difficult lane. **12 Zoncolan** also has a disappointing starting position. Is very consistent and good and will fight for victory with the right trip. **7 Valentina** is not that bad either. Has started quite well this season and is an early choice in this field. **10 Peacekeeper** was second to Valentina in the last race and is in fine form. Has only scored one win in 19 starts but could cause a surprise here.

Is better drawn than the main rivals and gets the tip. **11 Sjöli Spikern** faces good conditions money-wise and has already taken three wins this year. Not as good at the end but should be considered early in this field. **10 Flöy Willy** is also one of the better horses in this race. Comes from two good efforts and is possible with the right run. **2 Magnums Ophelia** has not won yet after nine starts but was third last time at Rättvik and has a run under the belt now. Good lane.

5 Daemro Odd faces tough conditions money-wise but has won three out of four races this year. He has a nice lane and gets our pick in this otherwise quite open race. **9 Kalida** has won four out of ten races this year and has clearly earned the most money. However, he has not lived up to the expectations at the end. Early choice though. **3 Tagen Gunn** earned the most money last year and has a nice lane now. Coming from a second place under the saddle. Driven this time by Cato Antonsen. **1 Kalani** was second in his comeback in the last race and should be improved by that run under his belt. Good post and is now driven by Adrian Solberg Akselsen.

5 Call Of The Wild has a nice task here for Magnus Jakobsson. Got locked in with a lot of energy left in the last race at Lindesberg and is looking for revenge here. Good draw and good chance. **10 Mefisto Faust** was fourth despite a gallop in the last race and had taken two easy wins before that. Is in good form and an early challenger to our pick. Tricky number. **1 Oh U. Handsomeboy** won from the outside of the leader in the last race. Is strong and should be considered. But where will he end up from here? **11 Kendrix** won three out of ten races last year. Has sprinted well at the end to a second and fourth place. Hopes for quick pace.

3 Arkimedes has a better lane than the main rivals and is our idea in this good cold-blood race. Has started well this year and is driven by Magnus Teien Gundersen now. **10 Lannem Sokken** wins often och comes from victory. Good chance but needs some racing luck from here. **8 Odinnyxen** has taken three wins in eight attempts this season. Wins very often too but this number is of course tricky. Early contender anyway. **9 Kaspian T.** is good for this class too. Galloped on the way to a second spot two starts back and comes from victory. Should be followed.
