6 Sundancekid was very successful last year and took six wins in ten starts. Competed in the V85 around the turn of the year and is now coming back after a break. Driven by Lukas L Svedlund in this amateur race. **1 Martinique Decoy** has not won in Sweden yet but comes from a positive second place over today's long distance. Driven again by gifted Niclas Benzon and is an early choice. **5 Espri Vendil** is also good for this class and is interesting in this debut for Andreas Lövdal. Patrick Hedqvist is the driver this time. **7 Filip Code** has not won for a long time but shown some good performances and he really deserves a victory together with Rebecca Dahlén. Tricky number.

2 Cashman J.R. was allowed to set the pace in the last race and won easily. He is also our favorite for the lead here and should have a good chance over this short distance. Our winner in one of the best lunch races of this year. **3 Global Caps** is coming off a victory during the Elitlopp weekend. He was second behind our pick in April and is of course looking for revenge. **5 Nouri di Quattro** took five straight wins from the debut and finished sixth in the Kriteriet then. Has been injured and returns after a layoff. Probably well prepared. Early choice. **7 Tamacti Jun** is better than the latest results show and has beaten these horses before. Tricky number but can open fast and has to be considered with the right trip.

3 Montanaro has a nice task here. Faces good conditions and has competed in the V85 lately. Easier now and can win this from the outside of the leader. **1 Collateral** is our favorite for the lead. He was second from that position last time and fought well. Early challenger. **4 Midnight Madness** is trained and driven by Rikard N Skoglund. He scored two straight wins at Gävle in February and April and is above all strong. **9 Tom's Got Drive** is not bad at all for this company. He was good in his debut for Kern after a long layoff last time. Run under his belt and now with Sjöström.

2 Pamela Boko was a huge favorite in her comeback last time but gave up. Can do better and took three wins in a row last summer. Good draw and probably gets an offensive trip by Magnus A Djuse. **12 Philou Boko** faces good conditions and has put in two nice performances this year. Is poorly drawn but driven this time by Örjan Kihlström. Early challenger. **1 May Day** was sixth in the V85 last time and is good for this company. This time driven by Rikard N Skoglund. Where will they end up from this lane? **6 Nordic Choice** is one of three horses trained by Jörgen Westholm. Has previously done well for Mats E Djuse. One of many contenders.
