6 Dimeadance could never reach leading Gift Of Youth men scored a strong third spot. Better number this time and dirt is good too. Our pick. 9 **Magno Animo** beat Dimeadance for the second spot shortly before the finish in the last race after a defensive trip. Main challenger with a similar effort despite this tricky number. 4 **Yalla Yalla** looked nice in the qualifier together with Natasha Romanova and put in a promising debut after that. Contender. 2 **A Star Is Born** did well last year on Bro Park over these conditions. Outsider.

Main challenger. 2 **Ittmaam** did alright in the debut and should be improved. Possible despite new conditions. 7 **Silhouettes** put in quite a good effort over today's circumstances earlier this year. Faces almost perfect conditions here and is a possible outsider.

8 Espen Hill is classy and makes his seasonal debut here. Won a similar Golden handicap last year over these conditions and should have top chance if well prepared before this task. 1 Ginmann scored a couple of wins and did alright over these conditions on Övrevoll against good horses. Main challenger with a similar performance. 2 Manassas is consistent and has earlier won in this class over similar conditions. Place chance. 7 Shaken Not Stirred faces quite tough weight conditions but is in good shape and a possible outsider.

1 Kick On failed in the seasonal debut but is certainly a lot better no. Won last year both Stockholms Stora Pris and Marit Sveas and is also the title holder in this Swedish Open Mile. Banker. 5 King David belongs to the top of the Scandinavian mile elite and is an early challenger if the favorite is not at his best. 6 Valence will probably take the lead directly and Elione Chaves is a good jockey. The big outsider in this race. 2 Everest Voice faces nice conditions here and is still on the way up. Could cause an upset.

3 Fast And Free put in a strong effort over these conditions two starts back in Cinnamon Challenge against tough opponents. Faces nice weight conditions for this apprentice and has a good chance to win with this perfect number. Our pick. 5 Une Autre Beaute is on the way up and gifted P-A Gråberg is an advantage. Possible challenger. 8 Enge Go On is up and down but has good capacity for this class. Early outsider when he is at his best. 9 Tatum has won over these conditions together with Jacob Johansen. 6 Ramone comes from a strong second spot in Challenge Stakes behind top horse Duca di Como. Our pick even if this 1200 meter on Bro Park is not ideal. 7 Brian Ryan has not lived up to the high expectations but is always a challenger in this kind of races. 3 Sarookh won Bro Park Sprint Championship over these conditions last year. The form is a question mark now but early contender anyway. 12 Globemaster is not bad either even if the chances are not easy to predict here. Will be ridden with blinkers again and could cause an upset.
