**8 Bravo Surprise** has scored two impressive wins in a row but he has been a scratch after the last race. Should normally have a good chance of winning. **3 Diamond Jackie** won easily in the last race and is in top form. Is the main challenger to his stablemate and our pick. **6 Youcan'taffordme** is a quick starter and if she takes the lead her chances should increase. **5 Royale Tooma** has done well most of the time but is still without a win after 12 attempts. Mainly a place bet.

He normally leads this race for a long time. **5 Never Give Up** held strongly in the last race and is in fine form. Finds it difficult to win and mainly chases a podium place. **7 Master** was clearly defeated as third in the last race. Tough opposition now and just an outsider.

**8 Mattex** won his debut easily but was not as good last time. If improved again he will be hard to beat despite this starting position. **9 Pomperiposse** has put in two good efforts without winning. Should be considered early in this field and is the main challenger. **5 Kiss My Parents** won the last race but has got a break since then. Normal in the fight for victory. **3 Lancelot Sisu** never had a chance in the last comeback. Can do better than that and should not be completely discounted.
