2 Sweet Home Alabama has a good reputation. Was only third in the last race but improved anyway. Our pick in this mediocre Bronze handicap. 7 Lucy In The Sky is consistent and good over these conditions and likes this task. Main challenger. 9 Bolivar Roads is a good three-year-old on the way up. Is ridden by Elione Chaves again. Challenger. 6 Suo Gan comes from a good performance over these conditions. Does not win very often but is an outsider in this company.

5 Nocentsinkentucky scored a very convincing win in the last Zawawi Cup. Will be very hard to beat with a similar performance in this mediocre Golden handicap. 2 El Guanche will probably reach the front here and this 1000 dt is an advantage. The only challenger here. 4 Breakdancer faces better weight conditions towards our pick since their latest meeting. Is not that decisive over this short distance though. Place chance. 1 Freemanip can open quite fast and this 1000 dt suits the horse well. Will find it hard to win but could score a place here.

9 My Spirit comes from a comfortable victory but got four kilo up too. Nice circumstances again here and she is our pick with a similar effort. 4 Mrs April comes from a nice second spot behind My Spirit. Faces better weight conditions this time and is an early contender. 3 Switchman was a bit behind our top duo in the last race. Better task this time and early challenger. 6 Quic TJ faces nice weight conditions here as a three-year-old and this jockey is an advantage too. Typical outsider.

3 Plantstepsdream comes from a very convincing victory ahead of gifted Stormy Ocean. Our pick here despite three kilo up after the latest performance. 9 Beach Road One put in a good effort in the last race 1.5 length behind Plantstepsdream. Better weight now and main challenger. 7 Sea Lieutenant has three straight wins and should be considered early too despite three kilo up after the latest win. 4 King Richard is on the way up and possible too here over this perfect 1730 dt.
