**6. WEMATCH** - Good 3rd last time over 3000m at Fontainebleau in a Class 2 race in April. Will be fit from a break and sets the standard

**Summary :** WEMATCH (6) can edge this event. He has been off the track since a good third over 3000m in a Class 2 race in April. The drop in grade makes him the best option. SEEKING DICKENS (2) looks the main danger after a pleasing success over 2500m at Nancy in a handicap eight days ago. GALEGO STAR (1) has been running in better races than this and if emulating his win at Compiègne in June he can figure. YEMASKA (4) could fare best of the rest.

**Summary :** OLYMPIC GOAL (6) has had a nice break since winning in February at Chantilly. He will be fit enough to score after an absence.
