9 Hövdingen started his career brilliantly with three straight wins. However the horse has not reached the same level after that. If he is fit, he should have top chance. **1 Slotts Guli Rex** is very speedy but not reliable at all. If he is at his best he is an early challenger. **10 Pyseidon** is not reliable, but has quite good capacity. **11 Alm Toledo** is quite consistent and good.

The nine-year-old has only made 14 starts, but is coming more and more and should have an excellent chance here. **11 Grisle Galant G.L.** competed in the Swedish Cold-blood Criterium last year. Has not quite developed as expected, but done quite well anyway. American bike now. **8 Ullabella** has shown nice times and should be considered with the right trip. **1 Lyckans Gullfaxe** has a nice lane.
