8 Quickstep O. dictated the pace in the lead in the last run and won easily. The time was slow but the track was tough as well. Our pick despite this number. 5 **Cartesio** won six out of 14 starts last year. Has not been first for a while but faces quite easy opponents here. In the mix. 7 **Helen Boko** met tougher horses in the last run and scored a good fifth spot. Does not win very often but is possible here. 6 **Best Regards** came in third and was a bit improved. Could cause an upset with the right journey.

9 Prins Villiam is not reliable but when he trots well he uses to fight for victory. Is ready for a new record. Our pick here. 1 **Såstad Brage** got locked in with plenty of energy left in the last run. Is still in good form and this number is nice. 3 **Lustra Odin** resumed from a long pause in the last run. Should normally be improved by that race and has good skills. 7 **Frk. Stilig** won comfortably on December 8 and got locked in with energy left in the last run. Outsider.

5 Emma Talking seemed on the way to victory in the debut for Frode Hamre in the last run but galloped on the home stretch. Chases quick revenge here. Good chance. 4 Helia Gendreenne comes from a sensational win and showed good form. Is well drawn behind the gate here and could fight for a place again. 7 Immun E. was not at his best in the lead in the last run. Normally he is good enough to be in the mix in this company. 2 Avonaco got a nice journey when he won on November 21. Could get a defensive journey again with this number and is an outsider.

7 Cordially has been consistent and good lately and deserves a victory. Tricky number but he uses to keep up the pace well. 4 Global Association got a tough journey from outside the leader in the last run and kept up the pace strongly. Seems on the way up. 8 Shameless I.M. was a bit better than we thought in the last run. Should be improved by that race and is possible despite this number eight. 9 Twintoulouse has got a couple of runs under his belt after a short break. Outsider here.
