

## RACE 1, V4-1

Volt 2140

7 Bolt Kronos has been improved and scored three good wins in a row. Was outstanding in the last race and faces quite easy opponents here as well. Top chance to win. 3 Rose Stahl has three wins in eight races and did well in Boden last spring. Will be interesting to follow for the new trainer and could find the lead here. 6 Alexia Marshall has quite good capacity for this class and came back strongly after a mistake two starts back despite a pause. Challenger. 5 Usiana Face has failed but can do better. New trainer and should be followed.

5 Readly Lavec has done everything right and scored four wins in five races. He prefers to run in front and fought well in the last run after a tough battle at the end. On the way up and the horse to beat. 6 Lumbermans Kalle has three wins in a row and has to be considered. Is developing really well and should be followed. 9 Picasso Tribut is on the way up too and finished well from far back to a third spot. Could soon cause an upset. Outsider. 10 Upside Face is good for this class but not reliable. Possible when he is at his best.

10 Volare Gar has put in a couple of good performances this winter and together with Erik Adielsson he has convinced for his new trainer. Can do it tough and faces quite easy opponents. 8 McGarret is also good enough to face tougher horses. Finished strongly from far back to victory in the last run and will fight for victory again. 9 Vien Ici was successful in the V75 last year. Is tough when he is at his best. Should not be overlooked here. 2 Marrakesh started with a couple of victories but has not been fit lately. Has one run under his belt now.

7 Mooney finished strongly two starts back and finished to a nice victory after that. Easier opponents this time and should have top chance again. 1 Arctic Dessert would have started in the V75 in December but got ill. Has recharged the batteries and scored a couple of really nice second spots in November. Interesting here for a new trainer. 3 Imola Boko finished well against tough opponents in the last run. Will get a defensive trip again here. Early choice. 6 Pomeroll Am is really good every now and then. Won despite a mistake in November. Should not be overlooked.
