**7 Don't Forget Me** scored a good win two starts back and put in a nice performance too when he finished second in the last race from first over. Despite this lane behind the gate, he should have a good chance of winning. **10 Henessi Tornado** has shown good form for a while and should win a race soon. **11 Sterbik** has galloped in three straight starts, which is of course worrying. The capacity is sufficient for this class. **9 Sartre** has good potential, but is a bit up and down.

**5 Chiru** has made four races after a long, long layoff. Makes his debut for Mattias Djuse now, which is of course exciting. **1 Sourire Frö** is gifted even if he is getting older. If he manages to hold the lead here, his chances will increase. **4 Santos De Castella** has competed regularly but he has galloped in three out of the last four starts. **7 Cyrano De B.** is perhaps the one with the highest capacity in this field, but this number is tricky.

**7 Finnskog Zizu** is a really nice horse. Henrik Kulblik's 6-year-old has clearly shown the best capacity in this field, and set a 1.28-time three starts ago, which most of the competitors can't match. Top chance. **2 Tverdals Mira** has been consistent and good most of the time. **4 Best Rauen** is the third horse based on what the horse showed when he won five starts ago. **9 Mjølner Sigyn** has quite good speed.

**3 Robbstark** has developed nicely lately. Has a impressed and got a better lane than the main rival. Our pick. **4 Surveillance** is well-bred and has started his career well. He is on the way up and will be able to match better opponents than these in the future. **5 Jayhawk** did not convince in the last race but can do better. Opens fast. **10 Midnight Madness** made his comeback in the last race after a long layoff. Certainly improved by that run under his belt.

**10 Fantom Jet** is matched in very tough companies and did well in the last V85 race finishing second. Is going down a bit in class and pass all opponents at the end. **9 Express Love** finally won last time after a lot of problems. It was the first win since June 2023, but the horse owns good capacity. **4 Apollo Prophet Cal** has three second places in a row and looked nice. **6 Timotejs Megabyte** has good capacity, but he has not convinced lately.

**8 In Real Life** is matched in good company. Won the last race against easier horses and faces very nice conditions here too. Has to be considered despite this lane. **9 Granns Lady** was supposed to start at the beginning of January, but became a scratch. She is coming back after a layoff and may need this run under her belt, but the horse has such high capacity that she has to be considered anyway. **4 Digital Last** is capable and has earned too little money in relation to her ability. **3 Hold Me Closer** has a run under her belt after a layoff.
