RANK

6 Lord Wilson is coming off a good win and seems in fine form. Has got a tricky number but should normally have a good chance in this field. **2 Kejser Pelle** is well drawn and comes from a second spot at today's track. Is on the way up and will challenge early. **3 Knowing You** didn't convince in the last race but had been consistent and good before that. An outsider. **5 Ideal Du Vincent** has not won yet after 35 attempts. However, he set a new record in the last race and seems in fine form. Should not be overlooked.

RANK

4 Pastor Pete won two out of seven races last year. Scored a good win at Christmas Eve and was third as recently as last Tuesday. Should have top chance in this field. **3 Kandis Spring** has not won yet but taken three second spots in seven starts. Was second in the last race after a very long layoff and set a nice time. Could be even better now. **2 Lafayette** was third as a big favorite in the last race and is obviously looking for revenge. Has a good lane and should be considered. **7 Keystone Flamingo** has one win in 15 starts. He was only closely defeated as second in the last race and finished ahead of Lafayette. Outsider.

RANK

1 Kingston Flamingo is coming off a surprising win. Beat better horses than today's opposition and was really good. Interesting number and our pick. **2 Triple Thobo** didn't win a race last year but is better than the latest results show and has finally got a good lane. Worth a warning. **5 Ghania Sensei** won at this track in October and in this company she should be considered even if her form is a bit of a question mark. **8 Kingo Gardenia** has a difficult draw but is not bad at all. He does not win very often but could cause an upset.

RANK

8 Smokin Joe earned the most money last year and has been very consistent and good at the end. Has got a tricky number (note that this is a circular start!). **5 Chablis** did not win last year after 21 attempts but was successful outright in the last seasonal debut. The horse should be considered very early in this field. **7 Fritjof S.H.** also won as a big favorite in the last race. Is in fine form but has a rather difficult draw and needs a bit of luck. **2 Golden Stone** is a little bit better than the latest results suggest. Could take the lead here and is an early contender in that case.
