## RANK

**6 Quantum Tile** comes from two gallops and that is of course worrying. Now she will run barefoot which is a big plus and we think the mare is ready for her first win of the year. **3 Quarry Tile** is a quick starter and if he reaches the front - which we think - his chances of winning will increase. **9 Gambino** is good for this class and should be considered despite this draw. **4 Lennon B.R.** is coming back after a long break. Has good skills but will probably need the race.

**8 Cogburn** won easily in the last comeback and should be even better now. Full attack towards the front here and from that position he will be hard to beat. **7 LA's Aela Skye** kept up the pace well in the last race and has now got two runs under the belt after the layoff. Possible if the favorite fails. **1 Rolex Ravin** is well drawn and reaches a good position straight away. Possible behind the favorite. **2 Call Me Goddess** got locked in with energy left in the last race and is the outsider here.

## RANK

**7 Grude Karen** is speedy but can easily gallop. If the five-year-old avoids a mistake all the way, he is definitely good enough to win the race. **5 Finnskog Lizzie** is a quick starter and if the mare is allowed to dictate the pace, she will not be easy to catch over the home stretch. **8 Johanna** doesn't win very often but can surprise. Needs some racing luck from a poor starting position. **2 Bjørnli Balto** made a good finish in the last race. Barefoot again and can take the first win of the year.

**1 Victorys Maximus** has done well for a while and clearly deserves a victory - especially with this nice number. Ranked highest in the race. **3 Lerke Halbak** scored a good win from the lead in the last race and if she gets there again she could definitely win this. **9 Miller's Papagayo** is consistent and good and uses to be in the mix. Can surprise with the right trip. **10 Iaintnoquitter** comes with four gallops in a row. Speedy and possible.
