1 Fantastic Hall faces tough conditions money-wise but is our pick anyway. Has started well with three wins in eight starts and showed good speed last time. Can open fast and is our close favorite for the lead. **4 VästerboRoyalFlash** is an early challenger. Was good two starts back but never had a chance in the V85 race quite heavily backed. Quick starter. **8 Rolyman** has done really well at the end and is good for this company. Difficult draw but this time he will be driven by Magnus A Djuse. **12 Prop Line W.** is one of the best horses in this race. Faces the best conditions and had a good season last year. Tough lane of course but he is possible.

11 Champus is probably the best horse in this fairly open race. He won from the lead in the last race but has shown that he can do it tough. Our pick. **7 Demon Marke** has shown good form of late without winning. Driven this time by Magnus A Djuse and that is a big advantage. Can open fast. **10 R.K.Albatross** has only scored one win in 20 starts but has put in several good performances towards the end. Should be considered early despite this number. **1 Lancelot** was not at his best last time and has got a short break. Is a quick starter and our favorite for the lead. Contender.

1 Like High is our pick here. He has started well and faced tougher opposition than this. Gave up after a tough journey last time but faces nice conditions here. Quick starter. **3 Lacazette** was fourth in the last race after a very long layoff and is probably better now. Good draw and early choice. **4 Xander** won four out of eleven races last year. Gave up as a big favorite last time but is now looking for revenge together with Oskar J Andersson. **8 As Always Marke** won from the lead in the last race after a short break. Has a poor number but is driven by Magnus A Djuse this time. Exciting!

6 Muscle Will is our winner. He earned the most money last year and won together with Ulf Ohlsson in the seasonal debut. We think he will get an offensive journey and could find the lead early on. Good chance in that case. **10 Nice Run** is good for this field but has not raced since November. Driven this time by Rikard N Skoglund and that is exciting. **9 Wehadthemall** won five races last year and has been consistent and good at the end. Claes Sjöström now and an early choice behind our pick. **3 Andy Gel** won easily after a nice inside trip in the last race. Magnus A Djuse again and should not be overlooked.
