2 Patch Wibb is in great shape and should reach a nice position with this number. Our pick but certainly not a banker. 6 Fritjof S H ended last year with a lot of wins and is interesting here in this seasonal debut. The form is a question mark but early choice. 1 Flash de Bucy is better than the latest results show. Has good speed and will be in the mix with the right journey. 4 Evita is an outsider. Comes from a strong second spot. Can open fast and will certainly reach the front.

8 Cassius Crown faced a 60 meter handicap in the last run but could win easily anyway. Will probably get an offensive trip and has a good chance. 3 Lady L.L. has been competing in Sweden and she has good speed. Early contender here behind the favorite. 5 Getafe has not started for a while and the form is a question mark. Is fast enough to be in the mix though. 7 Count On Me K G uses to fight for victory. Has got a tricky number but is possible with some racing luck.

1 Festival of Speed was not at his best in the last run and has got a break now. Is fast enough to match the elite when he is fit and at his best. 4 E Type Cash has shown great skills lately and is definitely good enough to challenge. 5 Twilight D can finish very fast and been successful lately. With the right journey he should not be overlooked. 3 Ghazi B R comes from a sensational win and is in great shape. Needs some racing luck again and could cause a surprise then.

8 Harald Derm has scored a couple of wins lately and comes from an impressive victory. Led from start to finish and should have a good chance again here. 4 Hotliner ended last season with three wins in a row and if he is at his best he is possible directly in this seasonal debut. 1 Outlander is interesting too. The chances are not easy to predict but if the five-year-old avoids a mistake he is fast enough to win this. 3 Leroy is better than the latest results show. Has two runs under his belt and should be on the way up. Contender.
