2 Lacoste was really nice in her debut and set an awesome time. Has trained well after that and shouldn't be even better this time. Our winner. **1 Shahan Zon** qualified in 1.17 and Per Nordström's horses are often well prepared. Brother to O'Mara Zon, who earned almost 2.7 million SEK. **3 Ethan Face** qualified as a 2-year-old and set a good time. The Bold Eagle-son should be considered early. **5 Al's Supersub** is well-bred.

Debut behind the gate now, but he looks classy and reliable. **4 Orlena Boko** has done quite alright so far. Has galloped a bit but looks to have good speed for a race like this. **2 Van Gogh O.** is approaching his first career win and should not be forgotten from a good starting position . **8 Keystone S.H.** is quite experienced.

Has good capacity and challenges the favorite. **4 Edvard Palema** is well bred but did not impress at the end in his Swedish debut. **1 Björn Palema** faces much tougher horses now.

3 Last Cool Cash was outstanding in his debut. Should handle this lane and with a similar effort, he is the horse to beat. **2 Ethel Face** impressed in the debut. Lutfi Kolgjini's first trainer win since 2019 should have a good chance here. **6 Nyras Daenker** has looked really nice, even though he hasn't won yet. **5 Luna Lane** has done well so far. 5 Ideal Stone has scored a lot of wins. Has been sold and makes his debut for Johan Untersteiner here. Has earned very little money in relation to his experience and capacity. Has done well in three starts this year and is interesting barefoot and with an American bike. **10 I Am Don Max** is not reliable but good when he competes at his best. **6 IF Joffrey** has shown fine form.

Driven by gifted Max Karlsson. **9 Bowler Day** did well in the V75 last time. Hasn't started for a while but is good enough to be in the mix. Tricky number though. **13 That's So Spicy** has been matched against good opponents and wins often. **8 I Gotta Go** has good speed but is not reliable.

RACE 8 / V86-5 — Auto 2140

5 Kind Of Magic F.R. has very high capacity, but is quite tricky. If Kolgjini's mare competes at her highest level, she will win this race. But she is a bit up and down. **12 Famous Scotch** was among the best of her year last season and did really well without winning. Barefoot now. **4 Fabulicious** is a quick starter. **2 F.B.I.** has been in good shape for a long time.

8 Balotelli Face took four straight wins during the autumn/winter, but has been defeated twice since then. Hanna Lähdekorpi has found a nice task and the horse is also expected to run barefoot. Our pick. **7 Lorenzo Boko** galloped in the last tough race in a tight situation with energy left. **4 Celerity Broline** is very consistent and good. If he handles this lane, he is an early choice. **9 Lucifer Sam** returns from a layoff.
