4 Staro Peanut looked brilliant in the last race but was a bit lucky too when Warrior's Tale galloped in a clear lead over the home stretch. The form is good and the conditions look nice this time too. **1 Spartakus** owns great capacity but never convinced in the comeback this autumn/winter. Now the seven-year-old is returning after a break and is certainly well prepared. Optimal conditions. **6 Hugo Boss Shadow** has made a lot of progress with one run under his belt. Barefoot and Goop and an early contender. **2 Nice Run** is a fast starter and comes in top form.

9 Västerbo Aramis has good capacity for this class and is significantly better than the latest results show. American bike again and the five-year-old is very good for this class. **8 Öje Tim** is not entirely reliable, but has shown good speed between the gallops. Oskar Andersson knows the horse well and barefoot now. **10 Hillarious Zet** is coming more and more for trainer Crebas and Julian Cordeau is driving with good confidence today. **4 Fantom D'Inverne** has really good form and was not defeated when he galloped in the final turn in the last race. Dangerous without a mistake.

8 Memorial Fashion won after a nice journey last time, even though he had to do the job during the final lap. Has high capacity and should avoid a mistake from here - will probably get an offensive trip here. **3 Stamsite** is showing great form and finished well last time. Leads this for a long time. **1 Miss Lynx** never got a real chance last time but looked really nice a bit behind the leader. She is in top form and has a better number now. **6 Diamond Kronos** improved for trainer Eriksson last year and is making an interesting seasonal debut here.

4 Candy El Mar was closely defeated from the lead in the last race. This time she will face similar opposition. Has the right attitude and should open fast behind the gate. **2 Running Steel** never reached the right level as a 2-year-old and has had to recharge the batteries during the winter. Owns good capacity and is speedy. **10 Full Send** scored a good win in the debut after a quick finish. He has to attack from behind now. **5 Cecilia Banker** has started her career in a promising way and with that run under her belt, she should be on the way up.

1 Global Federation got a very tough comeback race last time and gave up at the end. With that that run under his belt, his form should be significantly improved. **4 Miss Countess** has shown nice resources for this class. Her form is good and so is her starting speed which should give her a nice position - should be considered early. **9 Gigadad Di Poggio** did not convince in the debut for Dalborg. He is back after a layoff and certainly well prepared. **2 Elliot** finished strongly as second last time and but is mainly a place bet in this field.

3 Florenzo comes from a Kriteriet heat that was won by Nightlife In. Seasonal debut now, but Törnqvist uses to have her horses well prepared. Has a better lane than the main rival and goes for the lead. **6 Proffs** has enormous capacity for this class but has not really convinced after a long break. Shorter layoff again and might need this race. **1 Bellmans Painter** has put in nice performances for Eklundh. Good form and could be in the mix again. **8 Fast Food** is not bad but the form is hard to predict after two scratches in a row.
