## RANK

**8 Fine Manners** is an exceptional horse with 14 wins and three second places in 17 starts. He hasn't raced since October but is probably well prepared and normally he will win this. **5 Mago Launcher** has competed in the V85 recently and won from the lead at Solvalla. Is a quick starter and prefers to run from the front. **7 Zätamustangen** has already won three times this year and scored a good win in a lunch race last Thursday. He can open quickly and should find a good position. **2 New Lane** is rejected by Oskar Kylin Blom but not bad at all. Has had a break but got a nice lane and is now driven by Fredrik Plassen.

## RANK

**1 Chiraz** gets the tip in this mediocre race. He started quite well and got locked last time with energy left. He is our close favorite for the lead. **2 Global Graffiti** is good for this company and galloped in the fight for a place in the last comeback. Run under his belt and very early choice. **5 Bear Flower** has a bit of a tricky number but was second at this track in February and comes from two races at Solvalla. **8 Anya C.D.** has not convinced so far but we have respect for the Djuse brothers. Needs some racing luck from this lane though.

## RANK

**9 Hallabaloo** has started really well and is coming off two wins in a row. Should normally have a good chance but he has not shown any starting speed yet. Where will he end up from here? **7 Vini Vici T.P.** started with two wins in a row and has also done well at the end without winning. Is a quick starter and our favorite for the lead after a while. **4 Bartholomew** won two races in the debut but was not at his best in the last race as a big favorite. Now coming back after a break but has to be considered straight away. **6 King Of Goldneck** has improved this year and has taken two wins in three attempts. Possible behind our top trio.

## RANK

**2 Pete Baldwin** has done really well towards the end and has a nice task here. He is fast from the start and our favorite for the lead from this nice lane. **6 Real News** wins quite often and was really good when he won at the end of October. Driven again by talented Fredrik Plassen and is an early choice after a layoff. **10 Face The New Time** has also got a break. He earned the most money last year and has faced better opposition towards the end. Early choice. **5 Ajlexes Oyecomo Va** faces nice conditions money-wise and he has been consistent at the end without winning. Good lane and should not be forgotten.
