**3 Järvsöodin** has been improved a lot this spring and was once again simply the best from first over last time. This short distance is perfect and he can do it tough. **7 Månlykke A.M.** won directly in the seasonal debut, even if he was a bit slow. But he is certainly on the way up again now and will run with lighter shoes this time. **1 BW Sture** faces dream conditions to lead this race for a long time, perhaps all the way around. **6 Stumne Fyr** beat Tangen Bork last time and should be considered here as well.

**9 Hankypanky Pinkman** should have a good chance here. He impressed last autumn and did well last time out in Paris. Is working well and is our winner. **4 Eldorado** is really good, significantly better than the latest results show. Will run without shoes directly and the horse is reported to be training better than ever. **7 Pandroklus Eck** put in a good race in the last run but got defeated by superior PolePosition. **2 Jamaica Boko** has put in two sharp finishes in a row.
