4 Rex Tile won comfortably directly in his seasonal debut. Better with that run under his belt and should be seen with the greatest chance of winning this race from a nice draw. **1 Hamilton LC** is a quick starter and should be able to hold the lead here. If he then is allowed to decide the pace a bit, he could lead this throughout. **3 Capo Face** had to give up at the end last time. The victories were taken from the lead, but he will find it difficult to get there. Should not be overlooked anyway. **7 I Am Fredrik** has been responsible for nice finishes in recent starts and will soon score his victory.
