**7 Global Badman** makes his seasonal debut and will not run with his optimal equipment. He prefers to run in the lead and probably won't get there. Still our pick here. **1 From The Mine** is twelve years old, but disappeared in the lead in the seasonal debut with saved energy. The trainer sounds very confident and the horse leads this race for a long time. **3 Selmer I.H.** did not convince last time and has taken a short break, but he should always be followed in these companies.

**2 Soccerbox** is our winner here. She has been improved a lot this winter and last time she answered Maybach W.F. all the way. Good chance to lead this all around in this race for female drivers. **10 Global Bam Bautin** met tough horses for Johan Untersteiner and competed in the V75 a couple of times. Now the horse is making his debut for Sandra Eriksson and will run without shoes immediately. **6 Wittgenstein** was heavily backed in the V86 last time and kept up the pace well on the outside of the leader. He should be even better now and is an early contender. **9 Alfred Zonett** sprinted nicely to victory from the far back last time and owns good strength.

**11 B.Sacamano** made his debut for Sandra Eriksson last time and showed brilliant speed. Finished fast on the home stretch and will soon score a victory. Nice task. **7 Arpi Broline** was second in the V75 on Christmas Day and has followed up with two very easy wins after the break. Early choice. **15 Elvis Travian** won very easily in a good time on a slow track the last time he visited Sweden. Is developing well and will pass many opponents here. **12 Bollinger Bishop** has got a short break but is normally fast and good enough to be in the mix here.
