4 Bozeman wins often and earned the most money last year. Has a good lane here and seems in fine form. Should have top chance to win. **7 Walker** was surprisingly second two starts back and is coming from victory. He is in very good form and should be considered early on. **9 ID Diamant** has a bit of a tricky number but with the right trip he is a contender here. Won three of eleven races last year and finished well as second in the last race. **8 Lindystermingle** won four races last year but has not won yet this season. Has been very consistent towards the end though. Could surprise.

5 Sweetwater galloped quite early in the last race but won very easily from the lead in March. With a similar performance she should have a good chance here. **9 Kumiko** won easily to score her only victory last November. Made her comeback in the last race and got locked in. Run under his belt and hopes for quick pace from here. **10 Asap Go** was second after an inside trip in March. Followed well from the outside of the leader in the last race and could surprise here. **6 Kelvin Hydrup** finished nicely to victory in the seasonal debut. Can do better than shown at the end and is good for this company.

5 Lazy Lane won seven out of 13 races last year and did really well. Coming back after a layoff and his form is a bit of a question mark. However, he has a good lane and is our pick anyway. **1 Comedy** galloped towards the end in the last race but had taken two easy wins before that. Wins often and will probably get a good trip from here. **2 Billiondollar Rags** also has a good lane. He galloped too last time but had put in several good efforts before that. Early choice. **7 Royal Act** was a nice runner-up in the last race. Jomar Blekkan's horse should be considered early in this field despite a slightly tricky number.

2 Tynset Aksel sprinted to a close victory in the last race and has already won two races this year. Should get a nice trip and is an early choice. **3 Ellevillevito** did not live up to the expectations at Årjäng in the last race but won despite a gallop two starts back. New driver and could reach the front. Has to be considered. **7 Sjøvoll Svarten** finished well over the home stretch as third in the last race and has a run under his belt now. Only won one race in 23 starts last year but is good for this company. **14 R.M.G. Sommerfugl** has already earned a lot of money this year and is better than the latest results show. Tough lane but hoping for quick pace. One of many contenders in an open race.
