3 Xit did not convince as a favorite in the last race. Can do a lot better and Jacob Johansen over the long distance is always an advantage. Normally top chance to win. 1 Quagmire comes from a very convincing victory in Malmö. Will probably go for the front here and will lead this for a long while. 2 Malbec was matched towards the Derby last year but met too good horses. Stands this distance though and should be considered early in this field. 5 Aithusa comes from victory and has earlier won over these conditions.

6 Kissnfly was just closely beaten by Rintintin in their latest meeting. Faces much better weight conditions towards the latter one today and should be improved as well. Our pick. 2 Laguna Seca was second to Rintintin in the last race and a bit of a disappointment. 2200 dt again now just like when the horse won the debut and this apprentice claims three kilo off. Possible challenger. 5 Positano has been on the way up lately and this 2200 dt suits the horse well. Possible. 3 Rintintin comes from victory but faces tougher weight now. Should not be discounted anyway here.

5 Out Front scored a shared victory with Cat Ballou in the last race but was a non-starter before a planned seasonal debut. Good chance in this company though if the horse is fit. 1 Ko Zinzun is in great shape and scored a good second spot over these conditions behind stable companion Moojim in the seasonal debut. Early contender. 3 Point Boy had been very consistent and good and could finally score a victory in the last race. Does not win very often but is possible with a similar effort. 6 Layton won three times last year and faces somewhat easier opponents this time. Outsider.

1 Newdogintown got defeated by Strox Carlrass in the debut but looked really nice. Is probably improved now and should have top chance. Banker. 4 Archimedes Face was third in the last race and did alright. Should maybe have done even better after a nice journey. Main challenger anyway. 7 Galway comes from a promising third spot behind Noifsandbutts in the seasonal debut. Is certainly even better now and could be in the mix here. 8 Cibelle is quite fast but the form is a question mark in this seasonal debut. Possible outsider if well prepared before this task.
