4 Frankie Godiva sprinted fast a bit behind the winner last time and seems in fine form. Nice starting position and in case of quick pace he will finish well. **5 Isseymiyake Secret** was not good in the seasonal debut. Has to be considered even though he is not in top form yet. **7 Under Armour** is working well but is still hard to predict. If he is in top form he is good enough to win this race. **6 Nikki Lane** is a quick starter but will still find it hard to reach the front. Fast with the right defensive journey. Has to be considered.

1 Lucky Treize did well in the last race, finishing second behind a strong winner. Is in good shape and should have a good chance to win if he finds an opening at the end. **6 Catch Lane** is good for this class but does not always trot well. Has the capacity to win this race. **8 Havsnymfen** has been improved for every race and should be able to fight for victory with the right journey. **7 Diego Face** has high potential but is not an easy horse. He will be in the mix if he avoids a mistake.

7 Lakethesnake looked nice in the seasonal debut, finishing second and with that run under his belt, the form has probably improved a lot. This looks like an appropriate task. **6 Mister Aloha** is a quick starter and should be able to take the lead and once there he is the main challenger to our pick. **1 Stan Wawrinka** did well in the last seasonal debut and with a similar performance now he will be in the mix. **5 Format Kronos** is working well after the last mini comeback and has the capacity to fight for victory.

1 Magnificent Sisu has a splendid starting position and the four-year-old has a good chance to hold the lead and once there he will not be easy to beat together with Stefan Persson. **8 Our Brodde** makes an exciting comeback and despite a difficult starting position he should be considered. **7 Chico Lane** just kept up the pace in the seasonal debut, but with that run under his belt we can probably expect a better performance now. **12 New York Lobell** won by a wide margin in the last race after a perfect trip. The horse is in good shape and has to be considered.
