9 Egge Piril has the right attitude. He resumed from a longer pause in the last race and finished well to a third spot. Good chance here with that run under his belt. 14 Guli Vitus finished last season with a comfortable victory. He comes from a nice third spot and has to be considered early here. 12 Elsas Faks scored a good second spot two starts back and was fourth in the last race. He is in good shape. 5 Sör Tinder is not reliable but has good speed and earlier this year he won despite a mistake.

3 Marcos Gallon is all-round and in good form. He was third in the lead in the last race and was really good when he scored an outstanding victory on April 18. Nice task here and top chance. 4 U.B.Cool is a quick starter and won easily in the lead three starts back. Early choice here. 5 Lord Horse has good gate speed and finished alright to a fourth spot in the last race. Should reach a nice position here. Good place chance. 9 Carotene handles all distances and finished well to a fourth spot in the last race.

6 Lady Zappa did alright in the last V75-race. She had a double handicap then and faces much better conditions this time. She can open fast and this short distance suits her well. 2 Argbiggan is tough and has both good strength and speed. Scored a good third spot in the last race and is possible here too. 9 McGarret is gifted and uses to finish strongly. This distance is not an advantage though. 4 Ad Hoc uses to meet tough opponents. He can open fast and can do it tough if necessary.

5 Fire of Noa is good for this class but has not won for quite a while. He comes from a good third spot and might find an early lead here. Our pick. 9 Llama Tooma gave up at the end in the last race and was certainly not fit then. He is normally very strong and can finish really fast. 10 Lemon Brodde won over the long distance four starts back. Should be considered quite early. 11 Au Gratin comes from a good third spot and will certainly defeat many opponents here.
