

RACE 1

Volt 2140

9 Captain As qualified in a fast time a short while ago. This Italian three-year-old is interesting and should have a good chance directly despite this back row draw. 7 Luca Vialli Boko is a Ready Cash-son who will be interesting to follow too. Galloped in the qualifier but has got a nice number and will be driven by Lennartsson. 6 True Superb did not convince as a three-year-old in Norway but makes her debut for Björn Goop now. Should be considered. 1 Haxo d'Avignere looked alright after a mistake in the debut. Outsider here.

6 L.Q.Widde has now scored eight impressive wins since his debut. Is still really good for this class and should normally score a new victory here. Top chance. 1 Månbest A.M. has four straight second spots. Finished strongly in the last race and with this nice number he will be in the mix again. 3 Oss Can won directly in the last seasonal debut. Should be even better now and will be interesting to follow this season. 10 Läckra Lisa is gifted when she avoids a mistake. Uses to finish strongly.

Volt 1640

5 Moneykeeper faces much easier opponents this time. Has been racing in the V75 lately (where he has galloped) and will compete in a so called P21-race here. Should normally have top chance to win. 1 Husar Norrgård has not convinced so far this year but he is quite fast for this class and this number is nice. 2 Gasen i Botten likes the short distance. Does not always trot well but will be interesting to see here together with Goop. 6 Wingmaster is better than the latest results show. The form is a bit of a question mark though. Outsider.

9 Graham Hill found the position outside of the leader with one lap to go in the last race and scored a good victory. Our pick in this open race. 4 Viking Tilly is an interesting Ready Cash-son who is developing well. Nice number and early contender. 1 Carl Halbak has earned most money in this company. Galloped in the last E3-elimination heat and is an early choice here. 3 Dozen of Oysters has been at least third so far. Was brave in the last race and could be in the mix in this company too.

9 Crussi Dull convinced in the last race even if he was close to make a mistake on the home stretch. We think he has the best speed in this company. 12 Lill Hans set a new record over the long distance in the last race and he has good strength. Kontio is interesting behind this Westholm-trained horse. 2 Sjöli Basse has won after early leads lately and shown good form. Could go for the front again here. 6 Mjölner J.R. found the position outside of the leader with 1100 meter to go in the last race and showed good strength.

11 Breeze uses to meet tough opponents. She got a tough trip outside of the leader in the last race but scored a strong second spot. Our pick. 12 Glamorous Rain has won three out of four starts so far. Seemed to have energy left from outside the leader in the last race and is on the way up. Early contender. 7 Aranka Face got defeated after a couple of wins but set a new record anyway. Tricky number but with the right trip she has to be considered. 10 Global Confession is consistent and good. Never found room in the last race and has to be followed.

12 Ivory di Quattro put in a strong effort in Harper Hanovers race two starts back. He likes the long distance and should have a good chance here with the right journey. 1 J.J.Stitch is interesting here as the only horse in the first circle. Björn Goop will certainly keep the right pace in the lead here. 10 Remarkable Feet has not raced for a while but faces perfect conditions money-wise here. He stands the long distance. 11 Alone is consistent and good. Finished strongly to a second spot two starts back and could cause a surprise here.

2 Hell Bent for Am is strong and won Treåringseliten last year during the Elitlopp weekend. Was really good in the lead in the seasonal debut on May 26 and could reach the front again here. 3 Chiru was more heavily backed than our pick the last time they met. Was interfered in the final turn then but finished well. Early choice. 11 Kurri Jari Boko had not raced for a while before the last run but scored a nice third spot then. Should be improved by that race. 10 Usain Tilly scored a couple of nice victories in April. This number is a bit tricky.

Our pick. 8 Jaguar Dream has become better and better lately. Faces tougher opponents now and is poorly drawn. Has to be considered early anyway. 9 Sorbet has not raced for a couple of months. Was close to win in the lead in the last race but is good from the back too. 1 Nadal Broline has shown good form lately but he has not won for a long while. Outsider.

Has not raced since then but is an early choice here despite this number. 7 Barbro Kronos is chasing the first win of the year. Without a mistake she had been fighting for a place in the final of Drottningens Pokal in the last race. 9 Clockwork is consistent and good. This number could suit her well. Has to be followed. 1 M.T.Perette was poorly drawn in the last race and got a trip from far back. Better number this time and she won six out of 13 races last year.
