

**C1 - PRIX DES VACANCES - 1900m (a1 3/16m) - Autostart - Class D -
Harness - EUR € 27.000**

1. **GRAND MARABOUT** - Has not won a race since April 2019 and is unlikely to make an impact here either
2. **INVICTUS MADRIK** - Enjoyed a good 2022 but not as effective this term. Must reaffirm at present
3. **IMPACT PLAYER** - Takes a step down in grade and is ideally entered. Well drawn behind the car-start and is not out of it
4. **I PAY CASH** - Good class of a horse who showed improvement on second seasonal start. Leading chance with more progress to come
5. **IQUEM** - Very capable trotter when he can keep his action together. Hard to fancy but just as hard to rule out
6. **ISEULT FLOWER** - Far from disgraced in a Group 2 contest at Vincennes two starts ago. Runs barefoot and can make her presence felt
7. **IBERICA** - Won a good race in March at Enghien and posted a promising comeback run recently. Should be at the peak of her form
8. **IRON JET** - Best to forget last run. Previous effort at Vincennes was solid and has a leading chance on the back of it
9. **INEDIT DU GADE** - Good class of a horse but generally runs barefoot and is best to watch with all shoes on today
10. **INVICTUS D'ECAJEUL** - Three times winner from thirty-two and should strip fitter after his comeback run. Expect a good effort
11. **I LOVE D'AMOUR** - Unexposed quality trotter who can prove a little tricky occasionally. Remains a solid place prospect
12. **IRISH NICE ELGE** - Good solid trotter when he can keep his stride in check. Can be in the mix if applied all way around
13. **IDEFIX D'OLMEN** - In form consistent trotter who has shone in better company. Not drawn well but a player all the same
14. **IRON DE GINAI** - Consistent trotter at lower grade. Has a poor draw on the second tier and is hard to fancy
15. **IMPERIALE DE BAIS** - Has run well in competitive events recently and with all shoes off, can spring a surprise despite the poor draw
16. **GALIANO DU BOCAGE** - Not devoid of ability but remains very delicate and is hard to fancy in a contest of this nature

Summary : I PAY CASH (4) showed some nice progress on his second seasonal start and has pulled an ideal draw behind the autostart. He looks hard to oppose with more improvement to come. He can have the edge over the talented IDEFIX D'OLMEN (13) who has to put up with a poor draw on the second tier. IBERICA (7) should be back in top form and warrants some consideration too. INVICTUS D'ECAJEUL (10) is another one who is expected to come on from his most recent run.

1. **INDRA BOLD** - Showed improvement last time out at Strasbourg on third start of the year but with all shoes on today, is unlikely to fare so well this time
2. **INES DE MAJEAN** - Improved her own personal record with a solid win at the venue last time out. Looks a player once again
3. **IN THE WIND** - Not devoid of ability but lost the momentum in recent outings. Can pop up at a nice price
4. **IAMAY BATTUE** - Useful mare in Belgium who placed twice on turf earlier this season. Has work to do in a race of this caliber
5. **IBERNATUS** - Had a very poor start to the year but showed some significant progress at Strasbourg last time out. Enters calculations
6. **IVONIC BREIZ** - Placed just once in five starts this term and is hard to fancy on that evidence
7. **IBRA DU THENNEY** - Consistent for the most part. Has run well at the venue before and must be shortlisted
8. **ISALIO JIDO** - Showed improvement in last two starts and is ideally positioned in the front row. Leading claims
9. **IGLOO DU LEARD** - Showed a nice rebound of form last time out after a very modest start to the year. Can be in the mix with further progress
10. **IROS DU GOUTIER** - Useful trotter in the provinces but will struggle to make an impact in a contest of this caliber
11. **IMPULSE LOTOIS** - Has yet to win a race after forty starts. Good last effort in this division but unlikely to go off the mark this time either
12. **IN THE SUN** - Has become more effective under the saddle at present and is unlikely to pose a threat here
13. **INSIDE MAN** - Very consistent trotter in this division. Jumps off the second row and looks more like a place prospect
14. **IDEAL DU BISTON** - Has been delicate lately but remains a trotter with plenty of ability and is hard to rule out
15. **IRON CASH** - Very talented trotter who can prove extremely delicate. Can win if applied but a case of all or nothing

Summary : IRON CASH (15) is well behind where he should be in terms of earnings. He finds here a good spot to resume winning ways and is taken to come on top. The consistent IBRA DU THENNEY (7) looks the biggest danger to the selection, having fared well at the venue before. INES DE MAJEAN (2) seemed as good as ever when she scored at the venue last time out. Some consideration can be given to front-row starter ISALIO JIDO (8).

- 6. JULLIAN DADDY** - Still a maiden from six but broke his personal record when runner-up at Nancy last time out. Clearly on the rise
- 7. JURASSIC** - Has yet to win a race after fifteen starts and is unlikely to go off the mark this time either. Place chance at best
- 8. JUDEX** - Winner of two from four so far and goes unshod for the first time. Has leading claims

- 12. JERRY PAULO** - Won a similar race at Amiens three starts back and can't be ruled out despite last two modest runs

Summary : JOSELITO DU VIVIER (2) was disqualified in his first six career starts but he has now come to terms with himself and should be able to win a third consecutive race after trouncing his rival in last two. JUDEX (8) is a nice horse on the making and could make life difficult for the selection. JULLIAN DADDY (6) has a progressive profile and must raise his game further in order to score. JAIS BLACK (5) should be in the mix.

12. **JACOTTE DU GUELIER** - Except for her last run, she has been very effective all season and is on a redemption mission this Monday

Summary : A sound winner when off the mark on turf at Sablé sur Sarthe last time out, JULIETTA VICI (10) runs barefoot for the first time today and can follow up with another victory. JAVA MIP (4) is clearly an improved individual since racing without her shoes and should go close. JELGA DU VIVIER (8) could also be involved after her good comeback run at Amiens. JACOTTE DU GUELIER (12) can easily be forgiven her last effort.

- 13. HAMILTON D'ALB** - Reassured last time out on turf after three consecutive sanctions but all shoes on today and not a priority

Summary : HELLO DU GERS (3) is a very useful trotter who stands a proper winning chance in race of this level if he can keep his stride together. 15. **HELIOS DU JAL** - Has done nothing of note since September 2021 and cannot be worth any consideration

Summary : A game winner of an amateur contest last time out, HORYVIL DES MOYEUX (11) is a tentative choice to close the card on a winning note despite a tricky draw on the second tier. HENZO D'ARC (9) is clearly on the upgrade curve after three starts this season and must be respected. GAVROCHE BOCAIN (3) gave a good account in his last run at the venue in a better quality contest. FEU DES PRES (2) takes a slight step down in grade and can make his presence felt.
