10 Järvsö Jop has avoided a mistake twice in a row and been improved. Has good skills and will be hard to beat again here. This long distance is an advantage too. 12 Sjö Vant was promising as a young horse but has been injured. Was second behind a good winner in the last comeback race. On the way up. 5 Bara Lasse has shown good skills and been at least third in five out of seven races. Resumes from a spell now and the form is a question mark. 11 M.P.Atlas has got a break too. Is strong and this distance is the right one.

7 Didicoy won three out of five races last year but has not convinced this season. Galloped fighting for victory in the last run but is in good form. Easier opponents now. 10 Sweet Candy Girl has two good efforts after a short break and is in good shape too. Is reliable and faces easier opponents now than in the last run. 15 Hermione won three races last year and showed good skills for this class. Has one run under the belt now. Possible despite this number. 8 Mayfly Sock had energy left in the last run after a defensive journey. Should not be overlooked.

4 Quint uses to open fast and has been successful in the lead. Scored two nice wins earlier this spring and both in the front. 8 Bottnas Impuls is back in good shape again. Finished to victory two starts back and showed good speed in the last run too. 3 Inferno Sisu prefers to run in front and after poor draws lately he has got a better number this time. Good form. 11 Gone Fishing has two wins this year and both times after an offensive trip to the lead.

7 Underbarosåfin was a winner again in the last run. Had some problems earlier this season but is on the way up now. Very hard to beat here without a mistake. 12 Borups Umami met too good horses in the last V75-race. Much easier this time and finished to victory despite a bad number two starts back. 11 Alert Kronos likes this distance and has one run under his belt after a layoff. Should be improved now and is worth a warning. 8 Kontur has scored a couple of nice wins but this back row draw is tricky. Showed good speed after a mistake in the last run.
