1 Ettore Ross makes an exciting debut for David Persson after a couple of months of training at Bjertorp. The five-year-old winning machine from Italy has won eleven out of 22 races, including nine out of 13 races last year. Good chance straight away. **7 Orosei Boko** has impressed on several occasions, not least two starts back. The four-year-old is highly regarded in the stable and we can expect a break-through in the second half of the year. **6 Nero Schermer** is capable and should be improved by that run under his belt. **3 Gloire D'Empire** is undefeated in the lead after two attempts.

8 Nicole Schermer finished well in the comeback in the last race and should be improved by that run under his belt. The five-year-old has only made six starts in her life but has delivered strongly and been at least second without a mistake. **10 Ardanza Wine** has started well and has also set a new record in every race. Now he runs barefoot back for the first time which is an advantage. **11 Mateo Wynn** has found top form and the son of Muscle Hill is undefeated without a mistake. Will be in the mix again with a similar effort. **5 Abbagliante** is good for this class but also very tricky.

3 Shahan Zon has put in a couple of strong performances but Nordström's promise was not at his best in the last race. Has high capacity and after a short layoff we expect that the fast three-year-old bounces back. **6 Valla D'Gaagaa** has taken three wins in a row and impressed a lot, especially in the last race after a tough journey. **5 Einstein Face** was strong as third in the last race and now he faces somewhat easier opponents. **2 Bravo Chico** finished quickly in the last race and set a top time for this class.

RANK

1 Ortega Newport took the lead after a quick start but gave up over the home stretch. He faces tough conditions here but has the capacity to fight for victory in an open apprentice race. **3 Global Everytime** fought well from outside the leader in the last race. He prefers to run in the lead where he has won three races and here he should have a good chance of reaching that position. **2 Funky Style** scored a strong win from outside the leader in the last race. Can do it tough and reaches a good position straight away. **9 F.B.I.** is in top form and always has a sharp finish with the right trip from behind.

1 Gatling got locked in with energy left in a V75 final two starts back and looked still in good shape from behind the leader last time. In the lead he has competed thirteen times and won eight of these. **4 Sandokan** won with plenty of energy left in a top time in the last race. The six-year-old owns great capacity and has impressed on several occasions this year. **5 Smile Silvio** never got a chance as a favorite in the last race. Has good form and high capacity for this class. In the mix **7 Icebreaker Pellini** held strongly from the outside of the leader in the last race and is close to top form now.

9 Kerry Love won the Montéeliten during the Elitlopp weekend. The five-year-old filly has since stayed on Swedish soil and been prepared for this task. This longer distance is an advantage for this French horse. **3 Kaxig In** makes a very interesting ridden debut here. Persson has earlier been very successful in this discipline. Early contender. **2 First One Diamond** has won a couple of races under the saddle and was just closely defeated by Kerry Love in the last race. **10 Corps Et Ame** is tough and half a lap longer now is a clear plus.
