1 Veams Pumba did not trot well on the home stretch at the end in the last run and galloped. Scored a good second spot in the race before and is our pick with this nice number. 2 **Field of Dreams** makes his debut for a new trainer. She showed good speed last spring and should be considered directly here. 9 **Fix You** was not at his best in a couple of races this spring. Has got a break now and should normally be considered early in this field. 4 **Hoonigan** scored a good second spot in the last run after a layoff. Is one out of many outsiders in this race.

11 Gourmet Brodde needed the last race after a short break. The four-year-old has good speed for this company and we think he will defeat all opponents. 4 Eland is consistent and good. Has not won yet but is an early contender here with the right trip. Was brave after a 14.5-lap at the end in the last run. 5 Knaborgs Ivar started this year with two straight wins in June. Has not convinced after that but should not be overlooked behind the favorite. 1 Global Dice did well in the qualifier. Is better than the latest results show but could be an outsider here without a mistake.

6 Polly Tooma got a trip from far back in the last run and finished alright. Showed good form to win the race before and is our pick here. 12 Husar Brick has four second spots in a row. Seems to have the right attitude anyway and will defeat many opponents here. 3 Lukanos was improved in the last race on the island of Aland compared to the start on Romme before that. He has good capacity for this class. 5 A Perfect Man was improved in the last run without finding room at the end. Outsider with the right journey.

6 The Flying Eagle had to open fast (09-pace) in the last run and gave up at the end. This long distance is a question mark. Our pick anyway. 2 Por Una Cabeza made an early mistake in the only start so far this year. Scored four good wins last season but is well drawn and should be considered. 3 Castello Byd found room on the home stretch two starts back and finished alright to a third spot. First start in Sweden now. Outsider. 9 Capitol Wise As won over the long distance three starts back and is possible here.

4 L.A.Avanza was brave in the lead in the last comeback race. Emelie Pettersson is promising and they are our pick here. 3 Otomaro Zon faces nice conditions with this number over the short distance. Scored a good second spot in the V75 two starts back and is an early contender. 6 Livingstone has not impressed lately and can do better. Normally he will be in the mix here. 5 Mister Lucky Sox scored the first win of the season in Mariehamn. Has won seven out of 19 races so far and should be followed.

Was brave and should have a good chance to win with this better number. 11 Fläsk Ken galloped with 700 meter to go in the last ridden race. Finished alright in the race before and faces quite nice conditions here. 2 Furiosa has met tough opponents lately and she could be an outsider this time. 6 O.M.Hazebrouck fought well in the lead in the last run.
